It is the intent of the Board of Directors (the Board) to limit solicitations for contributions, any collection of money, and donations of services or material items for any purpose except by organizations directly connected with at least one school in RSU 63.

Any request to solicit anything by any non-school sponsored organization outside RSU 63 must first be submitted in writing to the Superintendent of Schools and receive his or her approval before it can be submitted to the Board where it must also be approved.
