JANUARY

Strawberry Hill Families:

BUDGET

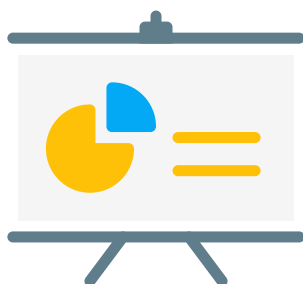

Principal's Orbit

As we get into the full swing of January 2025, this also means that it is Budget season for Stamford Public Schools and the City of Stamford. I have a strong belief that all families, (as vital school constituents) should be well informed of the District's budget proposals, and the the overall process that includes public input. It is important that we understand the proposals as it affects the district, and Strawberry Hill.

Recently SPS schools have proposed their budget request to the Board of Education. In the coming weeks we will post these resources on our newsletter and keep you up to date on this. Below are links to this resource.

WHY STRIVE FOR 5

Maintaining consistent attendance, with no more than 5 days missed throughout the school year, lays a solid foundation for student success. Regular attendance ensures that students stay engaged with classroom instruction, enabling them to grasp key concepts and build upon their knowledge effectively. By attending school consistently, students establish routines that foster discipline and time management skills, qualities essential for academic and personal growth. Furthermore, consistent attendance facilitates strong relationships with peers and teachers, fostering a supportive learning environment where students feel connected and motivated to excel.

Nita M. Lowey 21st Century After School Grant

LASTS WEEKS TO SIGN IN

Dear Strawberry Hill Families,

We are excited to announce that ROSCCO has recently been awarded the Nita M. Lowey 21st Century Community After-School Grant. This grant will allow us to provide valuable academic and enrichment programs to all students in the Strawberry Hill School district, including tutoring, STEM activities, and arts programs. Our goal is to enhance student success and engagement both inside and outside the classroom.

The 21st Century after-school program will serve approximately 100 students in grades 4-8. Our primary aim is to support the developmental needs of youth and promote positive outcomes by providing access to education, mentorship, and resources that empower them to reach their full potential. Through our programs and partnerships, we strive to create a nurturing environment where young people can thrive and succeed.

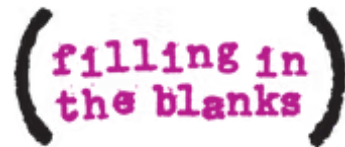

Our priority will be to serve students identified with math and literacy needs, and will open slots to all other students on a first come, first served basis. The first session of the after-school program will begin on Monday, February 3rd, and will run from Monday to Thursday, 3:30 PM to 5:30 PM, following the Stamford Public School calendar. Students must commit to attending all four days each week in order to be admitted to the program. A bus will be available to transport students as needed.

If you would like to learn more about the program, please complete the [Google form](#). Or for further questions, feel free to contact Latisha Williams, the ROSCCO Middle School Director, at llwilliams1@stamfordpublicschools.org or 203-609- 9027.

Sincerely,
Sheila Glenn

SPOTLIGHTING CARING

During the month of December, we recognized students who were CARING! Caring is an attribute of the International Baccalaureate (IB) Learner Profile (LP) that describes students who are compassionate, empathetic, and respectful of others. Caring students are also committed to service and want to make a positive difference in the world.

"Never believe that a few caring people can't change the world. For, indeed, that's all who ever have."

~ Margaret Mead

These students helped to make Strawberry Hill a more welcoming, positive place with their kind deeds and CARING actions! We thank you, all!

During January, we are practicing being OPEN-MINDED!

THE PARENT LEADERSHIP TRAINING INSTITUTE

Helping Stamford parents who **care** become parents who **lead**.

It's Amazing What One Parent Can Do!

Stamford's Parent Leadership Training Institute Design Team in partnership with the Stamford Public Education Foundation is pleased to announce Stamford's 25th Class of Parent Leadership Training Institute (PLTI) where in-depth leadership training will be offered to 20-25 selected participants.

Stamford PLTI is looking for parents, grandparents, guardians or other adults wishing to improve the lives of children, families, and communities to join the 2025 PLTI program beginning this January in-person.

Participants will become advocates for children through:

- Two Saturday community-building retreats
- A 9-week instructional course on community and personal development
- A 9-week civics course on politics, policy and media
- A written community project

Candidates will be selected from a pool of diverse applicants. The Institute is free; your contribution is your time and commitment.

The training will be offered with an all day retreat on Saturday, January 25th and classes continuing on Thursday evenings for 20 weeks until June. There will also be a Saturday session on March 29th. Class is from 5:30pm to 9:00pm, beginning with dinner, networking and social time from 5:30-6:00pm. The training will be offered only in English. Transportation and childcare may be provided as needed.

Children of PLTI participants ages 4-12 may participate in our Children's Leadership Training Institute (CLTI)- a literacy-based curriculum that parallels PLTI's weekly topics. Participating children get a new book every week!

For more information and to receive an application contact Regan Allan, PLTI Coordinator at (203) 539-1722 or rallan@spefct.org

PLTI is a CT Commission on Women, Children, Seniors, Equity & Opportunity family civics initiative. Mission Statement: The Parent Leadership Training Institute seeks to enable parents to become leading advocates for children. The cornerstones of the program are respect, validation, and a belief that when the tools of democracy are understood, the public will actively engage in civic life.

EL INFORME DE PIONEER

Nuestra misión

NUESTRA MISIÓN ES CREAR UNA COMUNIDAD ESCOLAR DIVERSA DE ESTUDIANTES DE POR VIDA A TRAVÉS DE UN PROGRAMA ATRACTIVO Y DESAFIANTE QUE FOMENTE UNA CULTURA DE CUIDADO, COLABORACIÓN, APRENDIZAJE EN ACCIÓN Y RESPONSABILIDAD POR EL MEDIO AMBIENTE.

Familias de Strawberry Hill:

A medida que nos acercamos a Enero de 2025, esto también significa que es la temporada de presupuesto para las Escuelas Públicas de Stamford y la ciudad de Stamford. Creo firmemente que todas las familias (son constituyentes escolares vitales) deben estar bien informadas sobre las propuestas presupuestarias del Distrito y el proceso en general que incluye las opiniones del público. Es importante que comprendamos las propuestas que afectan al distrito y a Strawberry Hill.

Recientemente, las escuelas de SPS han propuesto su solicitud de presupuesto a la Junta de Educación. En las próximas semanas publicaremos estos recursos en nuestro boletín y lo mantendremos informado sobre reuniones, implicaciones, etc. A continuación se encuentran enlaces a este recurso.

POR QUÉ ESFORZARSE AL 5

Mantener una asistencia constante, sin faltar más de 5 días a lo largo del curso escolar, sienta unas bases sólidas para el éxito de los alumnos. La asistencia regular garantiza que los alumnos sigan participando en las clases, lo que les permite asimilar los conceptos clave y ampliar sus conocimientos de forma eficaz. Al asistir a clase con regularidad, los alumnos establecen rutinas que fomentan la disciplina y las habilidades de gestión del tiempo, cualidades esenciales para el crecimiento académico y personal. Además, la asistencia constante facilita unas relaciones sólidas con compañeros y profesores, fomentando un entorno de aprendizaje en el que los alumnos se sienten unidos y motivados para sobresalir.

Políticas sobre celulares

Las Políticas de celulares estan funcionando.

Le agradecemos su cooperación y debida diligencia en esta importante regulación. A continuación se detallan más a detalle sobre los pasos que toma la escuela cuando hay una infracción

Una infracción significa cada vez que un teléfono celular/dispositivo electrónico está afuera y visible (en la posición de encendido)..

Cuando ocurre cualquier infracción, se siguen los siguientes pasos:

1. El teléfono será confiscado por el miembro del personal de la escuela.
2. El miembro del personal de la escuela llamara a seguridad/oficina para enviar el teléfono al administrador responsable del departamento /aula.

ADVERTENCIA: Se ha dado una advertencia a todos los alumnos MYP durante las asambleas de nivel de grado y los debates con los profesores . No se darán otras advertencias.

PRIMERA VIOLACION: El administrador retendrá el teléfono durante el periodo y el estudiante puede venir a recogerlo una vez finalizado el periodo en el que e confisco el teléfono.

SEGUNDA VIOLACIÓN: El administrador retendra el telefono hasta el final del dia.

TERCERA VIOLACION: Solicitamos que los padres contesten el teléfono al final del dia. El administrador retendrá el teléfono todas las mañanas hasta el final del día hasta que recupere el privilegio.

Los estudiantes se registraron por la mañana y entregaran el teléfono al administrador/oficina. El estudiante recogerá el teléfono al final del dia. El periodo de tiempo que se establece este acuerdo dependiendo de la buena conducta del estudiante y del reconocimiento de las violaciones.

Congratulations!

Este año tuvimos presentaciones hermosas y creativas. Aunque el número era menor, todos los votantes tuvieron que tomar una decisión difícil entre todas las presentaciones. ¡Pero hoy tenemos los resultados finales y ustedes se hicieron escuchar alto y claro!

Casi 300 estudiantes, profesores, personal y familias votaron por el logotipo de BHM de este año. Más de 70 de ustedes también dieron comentarios excelentes que compilaremos y compartiremos con la escuela la próxima semana sobre qué mantener y cambiar acerca de la realización del concurso de diseño el próximo año.

Podemos decir con seguridad a partir de sus comentarios:

1. ¡Disfrutas este concurso!
2. ¡Quieres que continúe!
3. ¡Más estudiantes planean ingresar el próximo año!

El programa extracurricular 21st Century atenderá a aproximadamente 100 estudiantes en los grados 4-8. Nuestro objetivo principal es apoyar las necesidades de desarrollo de los jóvenes y promover resultados positivos brindándoles acceso a educación, tutoría y recursos que los capaciten para alcanzar su máximo potencial. A través de nuestros programas y asociaciones, nos esforzamos por crear un entorno enriquecedor donde los jóvenes puedan prosperar y tener éxito.

Nuestra prioridad será atender a los estudiantes identificados con necesidades de matemáticas y alfabetización, y abriremos espacios para todos los demás estudiantes por orden de llegada.
