A. The meeting was called to order at 6:00 PM by Chairperson Forrest.

B. Pledge of Allegiance

C. Moment of Silence for Bryce Basso and Lucas Graychase

D. Adjustments to the Agenda - None

E. Public Comment - None

F. Minutes

1. Ms. Small moved to approve the regular meeting minutes of April 3, 2023; Mr. Damon seconded the motion; 5 in the affirmative and 2 student representatives in favor.

G. Reports

1. United Technologies Center (UTC)
  - a. Mr. Umel reported being unable to attend the April meeting. Next meeting May 4, 2023.
2. Southern Penobscot Regional Program for Children with Exceptionalities (SPRPCE)
  - a. Ms. Dunn reported that the next meeting will be May 11, 2023.
3. Trustees
  - a. Ms. Small reported that the athletic field project is waiting on DEP approval and permits in process, library offices areas, heaters in music room, new doors at BHS and other financial information.
  - b. The main concern is the safety of our students.
4. Student Representatives

Lindsey Baker & Cayen Philbrick reported:

**Math Team** - The Maine State Math Meet was held on Tuesday April 4th at the Augusta Civic Center. Brewer took one team of eight mathletes. Top scorer was Sophomore Zachary Arnold with 25 points, followed by Senior Jahfari Maddo and Sophomore Jackson Day both with 19 points. Zach also tied for 30th place for all Sophomores in the State. The team placed 21st in Class A.

**Environmental Action** - In April, our Environmental Action Club had a guest speaker from NOAA come in to discuss and explore the issues & opportunities surrounding the last remaining wild Atlantic salmon run which happens here in Maine. They are also planning to participate in the annual Ken Locke Stream Clean up all day on May 13.

**Se Beowulf** - Last month, Se Beowulf English Honors Society participated in the Literacy Tea at John Bapst. Students chose "The Little Prince" as the theme to decorate a table. They spent

*Minutes, Regular Meeting, May 1, 2023*

time after school crafting roses, planets, place cards, crowns, and pictures. They also made the table interactive by adding paper and glass jewels and glue sticks for children to decorate their crowns. Pictures of the table are outside on their bulletin board. They also plan to replenish the Little Free Library near the Brewer Rec Center and join NHS to host a community field day.

**Yearbook** - Now that the Yearbook has been submitted, students are shooting/covering spring sports and important events, they are working on compiling resources on job specifics for the incoming class, we're strategizing on how to organize the upcoming year ahead, planning our dedication event and distribution of the book, as well as an info session for future YBP staff. They expect the Yearbooks to be in during mid-May.

**NHS** - This month, members of Brewer's NHS Chapter will be delivering their "care packages" to community organizations that they fundraised and collected donations for. Seniors will be finishing up their "Individual Service Projects" or ISPs, which are a requirement for being a member of NHS. These projects are meant to benefit the greater community or a local organization.

**Student Council** - This week Student Council should be finishing up their project for Teachers' Appreciation Week. This is their last big project for the school year, and they will start preparing for the next school year by electing new officers and planning projects that they'll want to accomplish early next year.

**Robotics** - **\*\*GO CAYEN GO\*\***

**Honors Diploma Program** - This past Friday, the Honors Diploma Program was going to wrap up their school year with a lecture from the program's seniors. This has become a "tradition" within the program, where the Seniors talk about "The Good, the Bad, and the Ugly" of the college application experience. The lecture has been rescheduled to this Friday.

**Other Updates** - AP exams started this week for students enrolled in AP courses. Today, the AP Chemistry class kicked it off, and we're sure they all did amazing. Best of luck to all students taking the exams, and remember to take care of yourself too.

One of Mrs. MacDonald's Speech & Communications classes has been working on a Water Drive for Sipayik. This is one of the two reservations of the federally Passamaquoddy Nation. The area has been going through a water crisis, and has very limited access to clean water. For those looking to donate or help out, there will be various drop-off locations around the school in the coming weeks.
