COUNSELOR'S CORNER

Parents and Students:

New Semester; New Me! One semester down and one to go! Take this opportunity to reflect on last semester. Are you ok with how you did? Is there anything you wish you could change or do differently? The beginning of the semester is a fresh start. Think about your goals for this year and beyond. Where do you want to be? What do you want for your life now and after high school? How do you plan to achieve these goals? Education is a continual process of learning, not just content, but about yourself; much like life. Remember... "You don't have to be great to start. You have to start to be great" Zig Zigler
