**Meeting Notes:**

- Wellness Policy Adopted in the 2021 – 2022 year is compliant with Assessment Tool.
- Parents want the opportunity to be able to taste the food that their students are eating so that they can see first-hand what is available.
- Parents are also seeking a concerted effort to include more policy language and offerings that are healthy such as a salad bar, sandwiches with lettuce/tomato, etc.
- Parents would also like to see the alignment between meal offerings, trainings, and the Wellness Policy.
- Quarterly meetings will take place with stakeholders on the TFHE Wellness Policy.
