MHS Academic Team takes 1st place in their area tournament & advances to Academic State on February 1st!

Team Sponsor, Mrs. Odom, tells us, “All of these students are in advanced placement classes throughout the day and meet every Tuesday after school. Our team consists of freshmen through juniors this year, so I'm excited to see their continued growth into next year! I've never seen a group of people who are more dedicated to what they do than these students. Not only are they incredibly intelligent but they are so kind and fun to be around. They're seriously a dream to work with.”

MHS Art Department

The mini meal projects are from Mustang High School Art I, taught by Mrs. Odom, Mrs. Starr, and Mrs. Tilley. MHS student artists were challenged with recreating their favorite meals in miniature scale, demonstrating their extraordinary talent by capturing every detail with precision and artistic skill.

Come check out our MHS Student's incredible art work. Other miniature works from our MHS Students will be on display from the upper level art classes as well.

Class Spotlight: Woodshop Building Toys, Spreading Joy!

Every year, students in Justin Lindsay's and Mike McGarry's classes take part in a special project: building wooden toy cars that are donated to children in need across the state. This year's toys were delivered to Glenn Morgan, head of Good Samaritan Toys, back in December. Mr. Morgan distributes them to foster children and kids in need throughout Oklahoma. This project is more than just crafting—it's about learning, giving back, and making a difference. A huge thank you to our students, teachers, and Good Samaritan Toys for making this tradition so meaningful. Together, we're creating moments of joy for kids who need it most.
