SCHOOL COUNSELOR

JANUARY 2025

A note from Mrs. Ragghianti:

This month, the guidance lesson's focus will be **PERSEVERANCE**. Our Star Students will learn what it means to bounce or splat. Perseverance is resiliency. We want our students to keep trying even when things get hard, try new strategies, ask for help, and never give up.

Believe in your self
Your School Counselor,
Yesenia Ragghianti

Upcoming events:

- January 16, 9-10am virtual Coffee with Counselors

BE STRONG

Practicing Responsibility, Perseverance, and Courage

PERSEVERANCE

Is pushing yourself to work through challenges and obstacles

BOUNCING back when you have a problem means not letting the problem keep you down and upset. It means bouncing back to being your awesome self!

Going **SPLAT** when you have a problem is a lot like getting stuck in your feelings and stuck in the problem.

BOUNCE or SPLAT

Which will you choose to do?

BOUNCE

SPLAT

Here's the deal:

YOU get to choose whether you bounce or splat when you have a problem.

No one else makes that decision for you. It's up to you!

Perseverance Overview

This month is all about Perseverance. One way to think about Perseverance is "pushing yourself through challenges and obstacles." We all experience challenges in our lives. We all have moments when we feel like we can't do it or that we want to give up on a big task. It is important to develop tools that help us work through those challenges in order to grow in those moments instead of giving up. How might you practice Perseverance as a family this month?

Perseverance is 1 of 3 traits we will focus on throughout the year that helps students **Be Strong**. Across grade levels, students will be developing skills like focusing, organizing, and goal-setting.

Conversation Starters

- Can you share or show what it means to have Perseverance?
- When working towards goals, how does Perseverance help us to reach them?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Perseverance. Here are 2 "PurposeFull Pursuits" you can complete together!

- #1 Consistency is hard. Have each person in the family commit to 1 thing they will do each day this week. Maybe it is flossing, drinking a certain amount of water, getting to bed at a certain time, limiting screen time, or exercising. Create a place where each person can tally their progress and see who can keep their streak going the longest!

- #2 Review Perseverance as a family! Remember that Perseverance is pushing yourself to work through challenges and obstacles. Here's a fun challenge: Can you fit your whole body through an index card? While it sounds impossible, with the correct folding and cutting technique, you can make it happen! Give each family member a 4x6 index card and a pair of scissors. Ready for the answer? You can find the directions and solution online by searching: "Fit Your Body Through an Index Card."
