INSTRUCTIONS FOR COMPLETING THE HOUSING QUESTIONNAIRE

Purpose of the Housing Questionnaire

All Local Education Agencies (LEAs) are required to identify students experiencing homelessness. LEAs include school districts, charter schools and BOCES. Additionally, all LEAs that receive Title I funds must ask enrolling students about their housing status. The New York State Education Department (NYSED) encourages all LEAs regardless of whether they receive Title I funds to do the same. To collect this information, LEAs may:

1. Use the Housing Questionnaire attached here,
2. Update/modify the Model Enrollment Form – Housing Questionnaire to address the needs of the LEA, or
3. Incorporate the housing status question from the Model Enrollment Form - Residency Questionnaire into the LEA's Enrollment Form or other documents already used by the LEA during the enrollment process.

If an LEA elects the third option and incorporates the housing status question into the LEA's Enrollment Form, the LEA should take steps to ensure that a student's housing status does not become a part of the student's permanent record, because of the sensitive nature of this information. Please see the section titled "Confidentiality" (below) for information about how and when housing information may be shared within the LEA.

Who should fill out the Housing Questionnaire?

A Housing Questionnaire should be filled out for all students enrolling in school and for all students who have a change of address in grades preschool-12. "Preschool" includes any LEA administered or funded preschool program, such as a pre-k or Head Start program administered by an LEA. The Housing Questionnaire should be completed by the student's parent, person in parental relation, or in the case of an unaccompanied youth, by the student directly.

Confidentiality

Student housing information should be kept confidential to the maximum extent possible. This information should only be shared with LEA/school staff members who need information about housing status to ensure that the student's educational needs are met. To this end, LEAs may share a student's Housing Questionnaire with LEA personnel such as:

1. the LEA liaison,
2. the registrar,
3. the student's teachers, and/or guidance counselor, and
4. the LEA staff member responsible for reporting data to SED

However, this information should only be shared with the above staff members to the extent that it will enable them to better meet the educational needs of the student in question and to fulfill reporting requirements mandated by SED.

Other than the above uses, housing information **should be kept confidential** and **should not be shared** with other LEA/school personnel due to its sensitive nature and the stigma attached to being labeled homeless. LEAs are also encouraged to seek out ways of preventing Housing Questionnaires and housing information from becoming a part of a student's permanent record.

Discussing the Housing Questionnaire with Students and Families

In reviewing the Housing Questionnaire with parents, persons in parental relation, and unaccompanied youth, LEAs should emphasize that the purpose of gathering the information is to ensure that students in temporary housing arrangements are provided with the rights and services to which they are entitled under the McKinney-Vento Act. These rights and services include:

1. The right to stay in the same school the student had been attending before losing his/her housing or the last school attended (both known as the school of origin),
2. The right to immediate enrollment for students who decide to transfer schools, even if the student does not have all of the documents normally for enrollment,
3. Transportation services if the student continues to attend the school of origin,
4. Categorical eligibility for Title I services if offered in the LEA,
5. Categorical eligibility for free meals if offered in the LEA, and
6. Access to services provided with McKinney-Vento funds if available in the LEA.

The LEA should also ensure that the parent, person in parental relation, unaccompanied youth is aware that the student's housing status will be kept confidential and will only be shared with those LEA staff who are responsible for providing services to the student and those responsible for keeping track of how many students are identified as living in temporary housing in the LEA.

LEAs are advised to explain to parents that if a parent claims that her/his child is living in temporary housing, and the LEA wishes to conduct an investigation to verify this information, the LEA may conduct a home visit. However, LEAs **cannot contact a landlord or building superintendent** to verify a student's housing status without prior parental consent. Contacting a landlord or building superintendent without the parent's express prior written permission is a violation of FERPA, a federal law.

If the Parent, Person in Parental Relation, or Unaccompanied Youth Declines to Fill Out the Housing Questionnaire

If the parent, person in parental relation, or unaccompanied youth declines to complete the Housing Questionnaire, the LEA should note on the form that the parent, person in parental relation, or unaccompanied youth declined to provide the information requested.

Completing the Form

If a parent, person in parental relation, or unaccompanied youth enrolling in school indicates that a student is living in one of the five temporary housing arrangements, the school may not require proof to verify where the student is living before enrolling the student. The five temporary housing arrangements are listed below:

1. In a shelter,
2. With another family or other person (sometimes referred to as "doubled-up"),
3. In a hotel/motel,
4. In a car, park, bus, train, or campsite, or
5. Other temporary living situation.

After the student is enrolled and attending classes, the school or LEA is permitted to verify the student's housing arrangements. However, the student must first be enrolled in school. Again, LEAs **cannot not contact a landlord or building superintendent** to verify a student's housing status. (See above for more information.)

Definitions of Temporary Housing Arrangements

"With another family or other person" (also referred to as "doubled-up")

LEAs should be aware that students who are sharing the housing of others are eligible for services under the McKinney-Vento Act and State law, if sharing housing is due to loss of housing, economic hardship, or a similar reason.

"Other temporary living situation"

In addition to the four examples of temporary housing, students who lack a "fixed, adequate, and regular" nighttime residence are also covered as homeless under the McKinney-Vento Act and State law. This may include unaccompanied youth who have fled their homes or were forced to leave their homes and who do not otherwise meet the definition of "doubled-up."

"In permanent housing"

Permanent housing means that the student's living arrangements are "fixed, regular, and adequate."

Next Steps for LEAs with Students Living in Temporary Housing Arrangements

If the parent, person in parental relation, or unaccompanied youth indicates that a student is living in temporary housing, the LEA must complete a Designation Form. If the LEA believes additional information is needed before reaching a final decision on the student's eligibility under McKinney-Vento, enrollment should not be delayed and a Designation Form should still be filled out. For more information about determining eligibility see the National Center on Homeless Education's Determining Eligibility Brief, available at: http://nche.ed.gov/downloads/briefs/det_elig.pdf.

If a student who is identified as homeless was last permanently housed in a different school district, the district of attendance/local district will be eligible for tuition reimbursement from SED for the cost of educating the student. School districts should complete a STAC-202 form if eligible for tuition reimbursement. For more information about STAC-202 forms contact the STAC Office at 518-474-7116 or NYS-TEACHS at 800-388-2014.

NOTICE: STATEMENT OF RESIDENCY

The Cheektowaga-Sloan Union Free School District has a very strict policy on who may attend its schools. The Board of Education of the Cheektowaga-Sloan Union Free School District has directed administrators to bill the parents/guardians of students illegally attending Cheektowaga-Sloan UFSB for the cost of the child's education. If the amount owed is not paid within 30 days, the district will pursue court action to recover this money and the district's expenses involved in investigating the residency issues. The amount charged will be calculated using a formula established by the State Education Department. **The cost of educating a student in the Cheektowaga-Sloan Union Free School District ranged from \$8,128 to \$24,479 depending on grade level and program.** This amount usually increases each year.

My signature below indicates that I have received a copy of the Cheektowaga-Sloan Union Free School District's policy on Non-Residents. I understand that if the district learns that either my child or I are not residents of the District, I will be liable for the costs of my child's education as described above. I am aware that the provision of any false information or fraudulent documents to the District may constitute a crime. I certify that I am a resident of the District, and that the information and documents provided in support of this application are accurate and truthful. I authorize the request of student records from prior schools on any and all children listed above and give permission to the District to verify any and all information provided in support of this application. I acknowledge that the District reserves the right to investigate, at any time, the accuracy of all information and documents submitted on any and all children listed above. I promise to promptly notify the District when any supporting information or document that has been provided to the District is no longer accurate or up to date. I understand that if the District discovers that my child/children are not a legal resident of the district, my child/children will not be permitted to attend District schools and I will be liable for the cost of education for each day attended as a non-resident.

I, the undersigned, state the information contained in this registration form is accurate to the best of my knowledge.

Q

Frequently Asked Questions

Where can I get help?

Every school district must have a McKinney-Vento liaison to help students in temporary housing. Contact information for the liaison can be found on www.nysteachs.org/liaison.

Can a school require a student in temporary housing to show proof of residence to register for school?

No, if a student says they are homeless or in temporary housing, they must be enrolled immediately in school even if they don't have the papers normally needed, such as proof of residence, immunization records, a birth certificate, guardianship records, or school records.

Can a student who is living in temporary housing stay in the same school if they move out of the school district?

Yes, the student has the right to stay in the same school they went to when they were permanently housed.

Can a student enroll themselves in school?

Yes, if the youth is living in temporary housing and not with their parents or legal guardians (known as unaccompanied youth) they can enroll themselves in school.

What if a school doesn't enroll a student or provide busing because the district doesn't believe the student is homeless?

The school must immediately enroll the student and refer them to the district's McKinney-Vento liaison for help with the appeal process. Students have the right to appeal a school's decision, go to school, and get transportation until the appeal is decided.

If a student moves into permanent housing, can they stay in the same school?

Yes. A student can stay in the same school for the entire time they are in temporary housing and through the end of the school year in which they move into permanent housing.

Preguntas frecuentes

¿Dónde puedo obtener ayuda?

Cada distrito escolar debe tener un enlace McKinney-Vento para ayudar a los estudiantes que residen en viviendas transitorias. Puede encontrar la información de contacto para el enlace en www.nysteachs.org/liaison.

¿Puede una escuela pedirle a un estudiante que vive en una vivienda transitoria que presente certificación de domicilio para inscribirse?

No, si el estudiante manifiesta que no tiene hogar o que vive en una vivienda transitoria, la escuela debe inscribirlo inmediatamente incluso si no presenta la documentación normalmente necesaria, como certificado de domicilio, certificados de vacunas, certificado de nacimiento, certificado de tutoría legal o certificados escolares.

¿Puede un estudiante que está viviendo en una vivienda transitoria seguir asistiendo a la misma escuela si se mudó fuera del distrito escolar?

Sí, el estudiante tiene derecho a seguir asistiendo a la misma escuela a la que iba cuando tenía una vivienda permanente.

¿Puede un estudiante inscribirse por sí mismo en la escuela?

Sí, si el joven está viviendo en una vivienda transitoria y no está con sus padres o tutores legales (conocido como menor sin compañía de adulto o emancipado) se puede inscribir por sí mismo en la escuela.

¿Qué sucede si una escuela no inscribe a un estudiante o no le facilita el transporte escolar porque el distrito no cree que el estudiante es una persona sin hogar?

La escuela debe inscribir al estudiante inmediatamente y remitir el caso al enlace McKinney-Vento del distrito para obtener ayuda en el proceso de apelación. Los estudiantes tienen derecho a apelar la decisión de la escuela, ir a la escuela y tener transporte hasta que se decida la apelación.

¿Si un estudiante se muda a una vivienda permanente, ¿puede seguir asistiendo a la misma escuela?

Sí. El estudiante puede seguir asistiendo a la misma escuela durante todo el tiempo que esté en una vivienda transitoria y hasta finalizar el ciclo lectivo en el que se mudó a una vivienda permanente.
