

**Beechwood Middle School
School Improvement Council
January 28, 2025
12:15 p.m.
(via [Google Meet](#) or F2F)**

- Welcome and Celebrations from Council
- Approve [Minutes from October 22, 2024 Meeting](#)
- Principal's Message
 - [Community Information Session](#) was a success - more than 40 attendees
 - [Beech Forecast](#) (slides), [Beech Forecast Video](#)
 - World Kindness Challenge (this week)
 - Holocaust Remembrance - Community Event
 - Work Plan goals
 - Focus Area (Instructional): BMS educators will ground their classroom learning environments and weekly PAWS time in the Lex 1 [Graduate Profile Competencies](#) to support students “leading locally and serving globally.”
 - Focus Area (Climate): BMS teachers will intentionally and consistently use a backwards design process (the BMS Unit Map) as a foundation to deepen the instructional practice of teacher-led small groups and the use of standards-based formative and summative assessments that support the implementation of those small groups.
- Proposed Future Meeting Dates ([Article VIII](#))
 - Tuesday, 3/25
 - Tuesday, 4/29
 - Tuesday, 5/13
- Open floor to any additional, immediate issues/concerns/goals
 - [2023-24 School Report Card](#) and resulting areas of focus for S2
 - Winter Benchmark iReady performance
 - Community Service Focus for S2 - Building from Cane Creek Middle
 - Free to Focus at the Beech
 - Digital Portfolios and PAWS Time to support [Graduate Profile Competencies](#)
- Identify action steps to complete by next meeting
