

# GREENFIELD JUNIOR HIGH YEARBOOK APPLICATION:

Thank you for your interest in becoming a member of the YEARBOOK staff. **Please fill out and give this application to your MAIN SIXTH GRADE TEACHER as quickly as possible.**

**PLEASE NOTE:** *Classes that require applications take precedence over any other elective you have chosen and you will be automatically enrolled in the application class and removed from any other elective. By submitting an application for a class that requires an application, you are in agreement with this registration policy.*

-The **YEARBOOK TEAM** creates our 116-page, full-color yearbook, *Ingenium*. It is a professionally printed, hardcover volume distributed at the end of the school year. The book is a national award winning yearbook and there are high class expectations. Students will learn how to take photos, write stories and captions, edit written work, and cooperate in groups. This class requires the ability to spend time at school events before and after school. Deadlines are strictly observed and late work incurs monetary fines for the school. School athletes are eligible, as coaches are flexible with yearbook students during their practice times.

Please complete the following items:

- A completed application (the front side of this paper)
- A completed recommendation form from your English teacher (the back side of this paper)

## REQUIREMENTS & CONSENT FORM

- I understand that the YEARBOOK staff is an advanced elective class with strict academic, attendance, and conduct requirements.
- I understand that I must conduct myself in a mature manner while interviewing, researching, and performing YEARBOOK duties. If I cannot do so, I will be restricted from duties that require me to travel out of the classroom, my grade will drop, and I may be removed from the class.
- I understand that I will be required to work during my lunch hour, and before/after school at times to complete assignments for YEARBOOK deadlines that are directly related to my class grade.
- I understand that ALL work assigned MUST be completed on time. Failure to submit YEARBOOK assignments on time results in an immediate drop in my grade and possibly a substantial monetary fine for the school.
