2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

Shearer Elementary School is a pre school through eighth-grade public school located in the downtown area of Napa. A School-wide Title I elementary whose attendance area runs along the banks of the scenic Napa River, Shearer Elementary School serves 510 students in its twenty general education classes. Shearer also has a state-funded preschool program and a Napa County-funded childcare program that serves approximately 100 students. Shearer's staff of over 60 adults includes classified employees, 29 certificated staff members including a resource specialist, intervention teacher, school counselor, speech therapist, nurse, psychologist, social worker and music teachers.

2024-25 School Description and Mission Statement

Vision/Mission
Shearer Elementary School is a place of learning and building relationships. Embracing diversity, we are a team working toward a common goal with the belief that every child will learn and achieve. Together we inspire strong connections through rigorous learning and humanizing communication to support students, parents, and staff as lifelong learners. We will expand, develop, and implement leadership skills as a Shearer community to prepare self-motivated lifelong learners who achieve success as students and members of the larger community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

In 2018, the portable classrooms were reconditioned with new insulated roof materials and new carpet was placed in several of the portables. In 2019, Shearer School the entire exterior of the school was painted. Continuous upgrades to provide full connectivity to the Internet is ongoing as needed. In 2020, the school received complete fencing around the entire school property. Playgrounds are routinely inspected and repaired as needed.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents are informed about programs and their roles through participation in the Shearer School Site Council (SSC), Parent University, English Learners Advisory Committee (ELAC), Parent Volunteer club who assist in the classroom, garden, school events and field trips. Opportunities for volunteering are available year-round. Shearer is also a California Community School which involves parents and other community members in developing a school-wide vision. Parents also can take classes and earn credits through our Parent University. Classes include Parent/Teacher Conferences, How to Live a Healthy Lifestyle, English as a Second Language, Educational Advocacy, Becoming a School Leader, and many more. The more classes parents take the more units they earn. The Parent volunteer club sponsors several events throughout the year including promotion ceremonies and and our Winter Festival. For further information on parent involvement opportunities, please call our office at 707-253-3508.

2024-25 School Safety Plan

A school-wide focus on safety, health, and well-being has resulted in a positive and safe campus. We have a comprehensive safety plan which was updated on October 19, 2024 by the School Site Council. We have monthly fire drills which include earthquake, lockdown, and teacher illness drills throughout. Occasional graffiti is immediately removed. Grounds are kept litter-free and supervised by a full-time custodian. Inspections by the Napa Fire Department address code compliance and assure that facilities are safe for students and staff. Shearer's Comprehensive School Safety Plan (CSSP), addresses all components of SB187 including Student Discipline, Sexual Harassment, and Crisis Response Plan. The CSSP is reviewed annually by the Site Safety Committee that includes staff, parents, and representatives of law enforcement. Emergency equipment has been supplied for each classroom. Evacuation drills are held monthly. During the first weeks of school, teachers and the administration explain policies about student safety, dress code, playground rules, classroom behavior, bullying, and harassment. Best Behavior, Second Step, Restorative Practices, and Tool Box are also programs taught throughout the year and used for conflict resolution of discipline problems. Discipline follows the NVUSD "Standards for Student Behavior".

Professional Development

Early release Wednesdays are utilized to provide professional development to our staff based on school-wide goals (visible learning, phonics, writing, and refining our Data Cycles/Learning Sprints). In 2020-21 we provided professional learning for Benchmark language arts and Bridges Math, Tool Box social emotional program and AVID. In 2023-24, we are scheduled to have professional learning in Benchmark Phonics, learning sprints, restorative practices, Tool Box, From Risk to At Promise, and Peace Corners.
