

## **Gavilan Peak and the Anthem Community Cares!**

Gavilan Peak has partnered with some of our wonderful local community organizations to help fill in the gaps for families who may be struggling. Here are a few of the ways we are able to help Firebird families in need...

**\*St. Mary's Food Bank** - free weekly "snack packs" are available to help supplement the pantry for the entire family. Includes breakfast/lunch/dinner items, as well as kid friendly snacks. Each month offers a variety of items. All items are PURCHASED by SMFB, not donated. Snack packs are available for parent/guardian pick up in the front office each Wednesday or for student pick up on Fridays after dismissal.

**\*Kicks4Kids** - Nothing helps a student walk with confidence onto campus like a new pair of shoes. This local outreach group provides a free NEW pair of shoes to kids in need.

**\*Anthem Giving Circle** - Local ladies come together with a goal to create a positive impact on the Anthem Community. Through charity auctions, donations, and fund raisers, Anthem Giving Circle is able to provide gift cards to families in need.

**\*Veterans of Foreign Wars** - Local veterans and military service members from the active, guard, and reserve forces come together to continue to serve other veterans, the military, and their community. Through fundraisers and community events, the local VFW chapter is able to provide gift cards to families in need.

**\*Crossroads Cares** - local community outreach group that assists the needs of individuals or families. Everything from help with groceries to hygiene or cleaning items.
