

Brinnon School District
Weekend Nutrition Program 2024-2025

Dear Parent or Guardian,

Brinnon School is participating again in a program called Backpacks for Kids Nutrition Program. The school identifies students for an opportunity to take home a bag filled with easy-to-prepare, shelf-stable foods and snacks to supplement their weekly meals. The bags will go home with students every Friday. Food is provided through donations from the community.

Please let us know if you would be interested in having your child participate in the program by signing the form below and returning it to the school office. Your child's name will be held in the strictest confidence.

Thank you in advance for allowing your child the chance to participate in the Backpacks for Kids Nutrition Program. We hope this is helpful to your family.
