

# BEHAVIOR MANAGEMENT AT SCANDIA ELEMENTARY

## PBIS FOR FAMILIES

### WHAT IS PBIS?

**P**OSITIVE  
**B**EHAVIOR  
**I**NTERVENTIONS &  
**S**UPPORTS

PBIS is a system that helps our students achieve academic and social goals. PBIS defines the rules and behaviors we expect across the school. This system helps prevent problem behaviors and rewards desired behaviors.

### OUR EXPECTATIONS

**BE** RESPECTFUL  
**BE** RESPONSIBLE  
**BE** SAFE

We teach these expectations to all students across all settings. Our matrix shows what is expected. We practice expected behaviors with students and help them learn social skills.

### HOW DOES IT WORK?

### HOW CAN FAMILIES HELP WITH PBIS?

#### 1 TEACH EXPECTED BEHAVIORS.

We teach students how to behave. We practice scenarios and model problem solving strategies.

#### 2 REINFORCE AND REWARD BEHAVIORS.

We notice and reward appropriate behavior with praise, Happy Mail, and Sabre Celebrations. Students can earn rewards each week from raffles, classroom activities, trimester awards, or student of the month rewards.

#### 3 RESPOND TO PROBLEM BEHAVIORS.

We use the same system to deal with problem behaviors. Techniques include promoting, redirecting, reteaching, and conferencing. Behaviors are annotated and managed in Aeries under each student's personal profile and parents are notified. Minor behaviors are managed by teachers, and major behaviors are managed by the administrators in the office.

#### 4 PROVIDE MORE SUPPORT WHEN NEEDED.

We closely monitor data on behaviors. When students need more support, our PBIS team works with families and students to figure out what will help.

**PARTNER WITH YOUR CHILD'S TEACHER.**

**STAY IN TOUCH. CALL OR EMAIL.**

**NOTICE AND PRAISE YOUR CHILD'S GOOD BEHAVIORS.**

**GET CONNECTED ON THE PLATFORM YOUR CHILD'S TEACHER USES.**
