CENTRAL FRESHMEN ACADEMY

FRESHMAN ACADEMY

To assist with the transition to high school, ninth grade students enter the Freshman Academy, a small school within a school, that provides a safe and nurturing environment. Freshmen begin the day a period earlier than their upper-class peers which allows them to take an additional elective or receive support in math or reading.

While Joliet Township High School District 204 (JTHS) serves over 6,600 students, our schools are designed with an academy structure to provide small schools within a large setting. All ninth-grade students enter the Freshman Academy which is specifically designed to ensure a successful transition to high school. Features of the Freshman Academy include an 8-period day where all freshmen arrive an hour earlier than their upper-class peers, and freshman classes are housed in a common wing of the school.

FRESHMAN ACADEMY COORDINATOR

Freshman teachers work as a team under the direction of the Freshman Academy Coordinator. The Freshman Academy Coordinator serves the bridge between freshman students, families and teachers. If you are a parent or guardian of a freshman, we welcome you to reach out to the Freshman Academy Coordinator for assistance or with questions.

DEANS & COUNSELORS

The mission of the Pupil Personnel Services, a supportive and qualified staff, in collaboration with administration, parents, teachers and community is to provide every student with a comprehensive and age appropriate academic, social and career developmental plan which will empower students to participate productively in a global society.

Deans and school counselors are available to assist with course scheduling, social/emotions support, discipline matters and more. Please reach out to your student's dean our school counselor if you need assistance.

STUDENT SERVICES AND SPECIAL EDUCATION

WHY IDEA IS IMPORTANT?

¿WHAT IS IDEA?

The Individuals with Disabilities Education Act (IDEA) is a law that makes available a free appropriate public education to eligible children with disabilities throughout the nation and ensures special education and related services to those children.

In keeping with the vision and mission of the district, we are committed to providing services to students in the district who have individual and unique needs by partnering with families and community.

An Individual Education Plan (IEP), which includes transitional services and determines the least restrictive environment to meet the individual needs of the student, will be developed and implemented by the IEP team which includes, parents/guardians, students, and staff. In addition, to providing academic supports, the district provides related services at the Central, West, and Pathway campuses to further assist students' educational needs. Joliet Township District 204 provides a continuum of services based on the needs of the individual student with an IEP, which are determined by the IEP team.

Special Service programs include special education, home/hospital instruction, homeless education, and educational services at River Valley Detention Center. These programs provide students with instruction, social emotional supports, as well as other resources that enable students to acquire skills and knowledge that will prepare them to become lifelong learners and empower them to be successful responsible citizens of Joliet as well as in a global information driven society.

ARTICLE 504 OF THE REHABILITATION LAW OF 1973

LSection 504 is a statute that prohibits discrimination against persons with a disability in any program receiving federal financial assistance. Joliet Township High School District 204 recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability will knowingly be permitted in any of the programs or practices in the school system.

Students with disabilities who do not qualify for an individualized education program, as required by the federal Individuals with Disabilities Education Act and implementing provisions of the School Code, may qualify for services under Section 504 of the federal Rehabilitation Act of 1973 if the child (i) has a physical or mental impairment that substantially limits one or more major life activities, (ii) has a record of a physical or mental impairment, or (iii) is regarded as having a physical or mental impairment. 105 ILCS 5/14-6.01.

The Section 504 Grievance Coordinator is Jamila Cage. Ms. Cage can be reached at (815)727-6984.

- Children of Addiction (COA)
- Young Parent/Teen Mother Support
- Gender Group/Transgender Support
- Leadership, Self-esteem & College Tours

REQUEST FOR SUPPORT FORM

If you have concerns about a JTHS student, or if you are a student in need of help or support, please fill out the Request for Support Form for the appropriate campus. Completion of this form initiates a request and a team of school support personnel will review the situation to assign appropriate supports.

Please be as specific as possible when completing the form and know that you can reach out to the PPS Coordinators for direct and immediate assistance.

Joliet Central Request for Support Form 2024-2025

This form is a referral form to request services from the campus triangle teams. Once the form has been received by staff it will be sent to the student's triangle team to review. After review a team member may contact you for additional information or requests in order to identify the most appropriate supports for the student.

TECHNOLOGY AT JTHS

At Joliet Township High School, all students receive a laptop computer as a part of the 1:1 Technology Program. Students use these computers to do research, complete homework, problem-solve, communicate with teachers, and engage collaboratively in team projects. They gain valuable technology skills that enhance their education and promote lifelong computer literacy. 1:1 also allows for learning online in the event of a school closure due to a natural disaster or pandemic.

Devices are generally distributed during the first week of school for incoming freshmen.

JOLIET CENTRAL TEXTBOOK CENTER & STUDENT FEES

CASHIER PHONE NUMBER: 815-727-6811

From Textbooks to Fees, A Guide for Parents

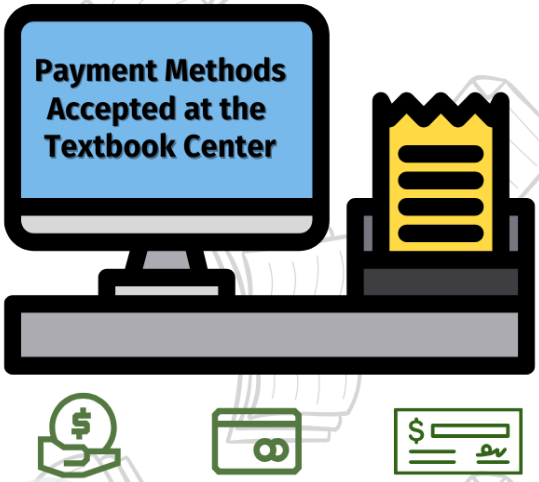

The textbook department is responsible for purchasing and distributing textbooks and collecting all student fees. To notify parents of outstanding debt, invoices are sent six times each school year in July, October, January, April, May and June. Parents can pay fees on-line, by mail or making an in-person payment in the textbook center. The textbook center accepts cash, debit and credit card payments.

The textbook cashiers will accept deposits to student pre-paid meal accounts. It takes 24 hours for deposits to process, so the money CANNOT be used the same day it is deposited. The funds will be available the following school day. All fees must be paid prior to purchasing a parking permit, purchasing a dance ticket or attending any dance, or participating in the graduation ceremony.

Having trouble paying for school fees?

The Free & Reduced Lunch Application is also used to verify whether a family qualifies for a waiver of school fees.

The application can be found by scanning the QR code or visiting: https://nlappscloud.com/Default.aspx

National School Lunch Program

The National School Lunch Program (NSLP) is a federally assisted meal program operating in public and nonprofit private schools and residential child care institutions. It provides nutritionally balanced, low-cost or free lunches to children each school day.

Joliet Township High Schools participate in the National School Lunch Program and is monitored by the Illinois State Board of Education and the Will County Health Department.

How do I apply for the National School Lunch Program? Or having trouble paying for school fees?

The Free & Reduced Lunch Application is available in *late July of each school year*. You must reapply every year to qualify. The school lunch application is also used to determine the eligibility of a family where the district can potentially waive school fees.

MULTILINGUAL PROGRAM

ELL COORDINATOR: LOURDES PARAMO

815-727-6820 | LPARAMO@JTHS.ORG

MULTILINGUAL PROGRAM

At Joliet Township High School, we are committed to providing all of our students with equitable access to ELL programming so we are very excited to begin to offer our ELL Program at both Joliet Central and Joliet West.

We are very excited that you are considering our program for your student. As a transitional bilingual program, our goal is to help our students excel in learning English while continuing their development in math, science, and the social sciences. In addition, our goal is for our ELL students to explore post-secondary career options by participating in electives, dual-credit, and Advanced Placement (AP) courses.

Students will receive services for as long as necessary and will continue to be monitored once they exit the program to maintain academic and social-emotional success. Our goal is to make sure that all our ELL students are successful being able to compete and contribute in an all English environment.

Program Description
Joliet Township High School services nearly 1600 students in our ELL program each year with support coming from all stakeholders including administrators, teachers, counselors, support staff, and the Board of Education.

JTHS Newcomer Program
The newcomer program is designed to provide transitional support for newcomer English learners. Not only do we want to provide curricular support, but also programmatic practices that are designed to integrate EL students and their families into a welcoming and supportive school community.

We believe that an effective ELL Program consists of the following four components:

- **Providing transitional support for newcomer ELLs.**
- **Providing high-quality instruction and materials that facilitate deep understanding of the English language and content-area concepts.**

Meet Our Family Engagement Liaisons

Family Engagement Liaisons are dedicated to welcoming parents and helping them find ways to support their child's success. Strategy 3 of our Strategic Plan reads, "We will implement a holistic approach to supporting students through family, community, and student engagement, targeted supports, and flexible learning opportunities to improve student attendance and academic performance."

Family Engagement Liaisons are excited to help families learn about how to succeed at JTHS and can help in many ways including:

Campus Parent: A tool to help parents stay on top of their student's grades, assignments, attendance and discipline.

Community Services for Students: Call to find out about opportunities in the community.

Communication: Assistance with Teachers, Tutoring Services and School Resources.

Together we can bridge the communication gap between school and home. Please do not hesitate to contact us with any questions you may have regarding your involvement and participation in your student's education.

ATTENDANCE POLICY

24 HOUR ATTENDANCE HOTLINE: 815-727-6801

Absence Policy
If your child is absent, you must call the attendance office. Only a parent or legal guardian can call in an absent student. Please refer to the student handbook found at www.jths.org for what constitutes an excused absence. When calling in absences, please be prepared to give the following information:

- Student's full name
- Student's ID number
- Student's year in school
- Date of absence (month/date)
- Reason for absence
- Period (s) the student will miss (full day, individual periods, etc.)
- Your relationship to the student
- Phone number where you (parent/guardian) can be reached

Regular attendance is essential for academic success. The laws of Illinois are very specific concerning the matter of pupil attendance in public schools. It is assumed that students will always be in school except for cases of illness or serious family crisis. The following provisions have been made to govern attendance policy:

If a student is absent or tardy to school, the parent or guardian should telephone the attendance office the same day stating the reason for the student's absence or tardiness (24 hour voice mail is available).

Failure to contact the attendance office by telephone on the day of non-attendance may result in an unexcused absence or tardy. The absence may also be considered truancy unless there is parental contact. In any case, parents are requested to call when they receive a truancy notice. At no time are students to leave the school campus while school is in session. No student may leave school before the regular day ends unless excused by the dean, scheduled for early release, or sent home by the health service. Any other early departures will be listed as truancy and will be treated as unexcused absences. In order for an absence to be considered excused, the student's parent/guardian must call the campus attendance telephone number to report the absence.

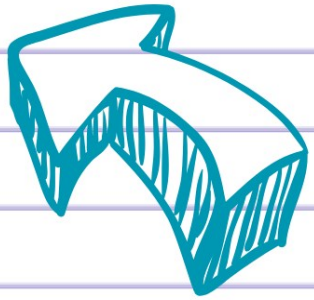

Acceptable reasons for excused absences will include but may not be limited to:

- Illness
- Death in the immediate family
- Family emergency
- Pre-arranged family vacation
- Pre-arranged college visits
- Prom-related absence

Unexcused absences/tardies will include, but may not be limited to:

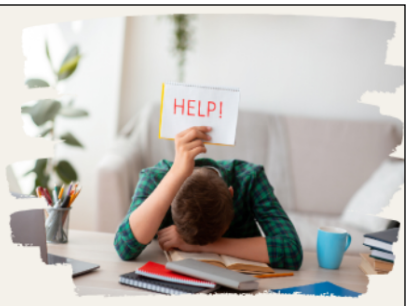

- Habitual car trouble
- No transportation
- Court/traffic ticket
- Oversleeping
- Truancy
- No parent call on absence
- Ditch days
- Arriving tardy to the first period class without a proper pass
