

2023-2024 Federal Report Cards

January 7, 2025

Dear Parent,

The Texas Education Agency (TEA) releases a federal report card for **East Montana Middle School** as part of its obligations under the federal Every Student Succeeds Act of 2015 (ESSA). 2023-2024 Federal Report Cards for the state, the district, and each of the district's campuses are now available on the district's website at this link: www.clintweb.net/Page/5159

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office.

This report is required by the Texas Legislature and prepared by the Texas Education Agency. The campus is required to send this report to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning the Texas state accountability system, student achievement, academic growth, graduation rate, English language proficiency, school quality or student success, goal meeting status, STAAR participation, civil rights data, teacher quality data, per-pupil expenditure, statewide National Assessment of Educational Progress (NAEP), and the rate of graduates enrolled in postsecondary education.

Don't hesitate to contact me if you have any questions about the information. Thank you for your continued support.

Sincerely,

AA Navarro
Principal
East Montana Middle School
