## 2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

adults.

### School & Community Profile:

Folsom Cordova Unified School District is comprised of two communities located in Sacramento County along HWY 50. With a population of more than 20,500 students, schools are an average of twenty miles from downtown Sacramento and just over 100 miles from San Francisco. Folsom Cordova Unified School District enrolls Preschool through Adults. There are twenty-one elementary schools, one charter elementary school, four middle schools, three comprehensive senior high schools, three alternative high schools, an adult school, and a virtual academy.

Cordova Villa Elementary School, located in the community of Rancho Cordova, operates on a traditional schedule from August through May. The enrollment for the 2024-2025 school year, remains around 540 students in grades Preschool through fifth. We have a State Preschool as well as an SDC preschool, and 2 full-time SDC moderate severe classes. We have 2 speech teachers in addition to our RSP program. Our school consists of the following race/ethnicity groups: Hispanic/Latino, African American, White, Asian, Pacific Islander, Filipino, and reporting two or more races.

As a Title 1 school, 92% of our students are unduplicated, including 9% homeless. Our English Learner population makes up 32% of our enrollment, of which many students have been in the country for less than three years. Our English Learners speak a variety of languages including Spanish, Farsi, Pashto, Russian, and Ukrainian. In addition, we have 65% of students report being on welfare. In addition to a special education preschool program, our site also houses a state preschool program consisting of around 36 students. We also have a full-time school nurse and one LVN and one health tech to support our medically fragile students. Cordova Villa Elementary had approximately 80 students enrolled in the After School Education & Safety (ASES) program this year.

Cordova Villa is a community school, and we work with parents as partners in their child's education. We continue to find creative ways to involve our parents through school events such as field trips, drama productions, chili cook-offs, English Learner Advisory Committee (ELAC), and School Site Council. Teachers regularly communicate at home and support families not only in academics but with social and emotional needs as well. With a focus on the California Common Core State Standards, we hold high expectations for students and provide additional support throughout the school day to meet the needs of each individual student. As a Positive Behavioral Interventions and Supports (PBIS) school, we focus on structures and supports that promote positive behavior management in and out of the classroom, teaching and reinforcing behavior expectations to help prevent problem behaviors from interfering with student learning. We support our student's social and emotional needs through classroom structures and lessons designed for emotional regulation and have a designated school social worker and school psychologist on site. As a new Community School, we have several positions: a Community Liaison, a Parent Liaison for several hours per day, a Behavior Intervention Specialist, and a Library Media Clerk.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 15, 2024, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**Year and month in which the data were collected** 2023 August

## School Facility Conditions and Planned Improvements

Cordova Villa has 25 classrooms, a multipurpose room, and an administration building. The main campus was built in 1969, modernizations were completed in 2009. Portables were added to the site in 1997, 1998, 2003, and 2009. New Kindergarten rooms and a new multipurpose room were added in 2010. A shade structure was added in 2014. A new kindergarten/transitional kindergarten modular building was installed in 2023. The play structures are in good condition, the kindergarten play structure was upgraded when the modular building was installed. There are two storage containers and two sheds on the site.

The principal works daily with the custodial staff consisting of one full-time day custodian and two full-time night custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service, and the highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/departments/maintenance-operations/covid-19-info-cleaning-standards>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2024/2025 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

In 2024-2025, per Fire Dept. / District a new set of gates will replace the existing chain link gates that lead from the library to the playground. A crosswalk will be added on Reymouth Street in 2025. We are working in partnership with the City of Rancho Cordova.

Date of inspection: October 1, 2024

As of November 6, 2024, the bond had passed for site modernization of Rancho Cordova schools. The main administrative building which houses 10 of the classrooms will be replaced within the next several years.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

<b>Mathematics</b> (grades 3-8 and 11)	11	17	48	49	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	89%	90%	90%	90%	90%

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

Cordova Villa actively seeks and appreciates resources to assist underachieving students from families and community partners (i.e., River City Christian Church, Intel PC Pals, Costco, Walmart, Target, WinCo, Dignity Health, Kaiser, Grocery Outlet, Staples, Rancho Cordova Rotary Club, Blessings in a Backpack, Shoes that Fit and Sacramento Assistance League). The school and FCUSD also provide resources to support underachieving students (i.e., parent workshops, school supplies, and academic support).

We provide opportunities for parents, staff, and community members to take part in the planning, implementation, and evaluation of programs through participation in our School Site Council, English Learner Advisory Committee, and yearly staff and parent surveys. We have a Community School Support Specialist who seeks opportunities to foster home-school partnerships to help with our families with chronic absenteeism and/or put them in contact with resources. In addition, for the 2024-2025, we are offering more opportunities for family engagement: holding Family Literacy Nights, Coffee Chats about how to navigate the school system.

Cordova Villa is a community school, and we work with parents as partners in their children's education. We continue to find creative ways to involve our parents through school events such as field trips, drama productions, chili cook-offs, English Learner Advisory Committee (ELAC), and School Site Council. Teachers regularly communicate home and support families not only in academics but with social emotional needs as well. With a focus on the California Common Core State Standards, we hold high expectations for students and provide additional supports throughout the school day to meet the needs of each individual student.

## 2024-25 School Safety Plan

Cordova Villa Elementary is safe and clean. Classrooms, restrooms, and eating facilities are cleaned and disinfected regularly. Any safety hazard that is reported is reviewed immediately and resolved. Safety plans are reviewed each fall. Our school is participating in the School Emergency Response plan based on the Incident Command System that Emergency Services uses.

## 2024-25 School Safety Plan

Cordova Villa regularly practices safety drills including fire/evacuation drills, lockdown drills, or active shooter drills.

Our Safe Schools Plan encompasses disaster procedures, fire escape routes, school conduct code and discipline, sexual harassment policy, and child abuse reporting. During the 2023-2024 school year, twenty-seven (27) were reported student accidents.

Date of review with SSC: November 20, 2024

## Professional Development

Folsom Cordova Unified School District provided staff with three professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff works collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

It is the goal of Cordova Villa Elementary to assist students in their social and personal development as well as academics. Our Professional Learning Community (PLC) is focused on developing the knowledge and skills of our entire staff to support student learning. We regularly review academic, behavior, attendance, and social emotional data with the staff and use that data to inform our practices. With the help of our intervention team and instructional coach, we have a variety of supports in place to meet the needs of all learners.

Administration, teachers and support staff continue to be trained with Solution Tree on PLCs with the use of Educator Effectiveness Funds.

This table displays the number of school days dedicated to staff development and continuous improvement.
