PRESENTATIONS

In person or through a personalized webinar format.

→ Navigating the DDD Service System

An overview of the DDD service system, steps to complete the eligibility process, and Support Coordination - DDD's care management model.

→ Employment for People with Intellectual & Developmental Disabilities

How to prepare students with IDD for employment, including an overview of services available to help young adults find and maintain competitive employment in the general workforce after they leave school.

→ Preparing for a Bright Future: First Hand Experiences of a Person with a Disability

Learn about navigating adulthood from the perspective of a person with a disability who works for the DDD Office of Transition, covering topics like Preparing for Adulthood and Keys to Student Success.

Resource Days

An opportunity for students and families to schedule 1:1 meetings with a DDD Transition Professional

Following a *Navigating the DDD Service System* presentation, schools and community organizations can offer a DDD Resource Day - an opportunity for young people and their families to meet one-to-one with DDD Transition professionals and get answers to their transition-related questions.
