Curriculum and Program Development Committee Report

Committee: Curriculum and Program Development

Meeting date: October 22, 2024

Committee Members in attendance: Danielle George, Maura Pillsbury, Carolyn Jensen

Administrators: Holly Johnson, Will Plidden, Cynthia Alexander

Guests: none

An overview of the year-long curriculum work in science at the 3-6 level was presented to the committee. The presentation outlined our plan for developing and implementing science units connected to phenomena-based learning, and alignment to the Next Generation Science Standards.

The outcomes this year have focused on collective learning and growth through professional development, implementing phenomena-based instruction, and focusing on the cross-cutting standards and science practices.
