EMERGENCY CLOSINGS AND DELAYED OPENINGS

If a decision is made to close school early or implement a delayed opening of school, the Connect Ed system will contact parent(s)/guardian(s) by using the home and emergency contact telephone numbers. **It is the responsibility of the parent(s)/guardian(s) to maintain and update the emergency contact telephone number(s) and email addresses.**

Emergency school closings will also be announced on News Channel 12 between 6:00 a.m. and 8:00 a.m.

On many occasions after a winter storm, the highway department is able to clear the roads sufficiently for school to open if given some additional time. In these instances, the school opening will be delayed by one (1) or two (2) hours. This decision will be made and the Connect Ed system will contact parent(s)/guardian(s) by using the home and emergency contact telephone numbers and also will be announced on News Channel 12.

LOCKERS

Lockers and combinations will be assigned to students in grades 6-12. **Students have no expectation of privacy in the school lockers.** Locker inspections (announced/unannounced) will be held at various times during the school year and lockers may be searched at any time the administration deems necessary. If a locker is damaged, the student will be charged the replacement/repair cost.

EARLY DISMISSALS

If a student must leave early for medical appointments or urgent family business, a parental request must be presented to the nurse. All students are to be signed out at the front desk. Students ***will not*** be permitted to sign themselves out of school regardless of their age. In special instances, the administration may give approval for a student to leave the building.

VISITORS

The Board encourages parents and other district citizens to visit the district's schools and classrooms to observe the work of students, teachers and other staff. Since schools are a place of work and learning, however, certain limits must be set for such visits. The Superintendent/Principal or his or her designee is responsible for all persons in the building and on the grounds. For these reasons, the following rules apply to visitors to the schools:

1. Anyone who is not a regular staff member or student of the school will be considered a visitor.
2. All visitors to the school must report to the lobby of the school. There they will be required to check in with the front desk monitor and will be issued a visitor's identification badge, which must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the lobby before leaving the building.
3. Visitors attending school functions that are open to the public, such as parent/teacher organization meetings or public gatherings are not required to register.
4. Parents or citizens who wish to observe a classroom while school is in session are required to arrange such visits in advance with the classroom teacher(s), so that class disruption is kept to a minimum. The administration must be made aware of the visit and the purpose of the visit by the classroom teacher or support staff.
5. Teachers are expected not to take class time to discuss individual matters with visitors.
6. Any unauthorized person on school property will be reported to the Superintendent/Principal or his or her designee. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
7. All visitors are expected to abide by the rules for public conduct on school property contained in this Code of Conduct.

In the event that students fail to comply with established bus rules for good behavior, a three-step policy will be enforced:

1. Upon receipt of a written report from the bus driver, the Principal/Designee will discuss the incident with both the driver and the student involved. The Principal/Designee will warn the student and notify his/ her parent(s) in writing that a second report will mean bus removal.
2. Upon issuance of the second report, the student will be removed from riding the bus for a period of time to be designated.

DASA (DIGNITY FOR ALL STUDENTS ACT)

The New York State Dignity for All Students Act (Dignity Act or DASA) took effect July 1, 2012 and was established to provide a school environment free of discrimination and harassment. Amended on July 1, 2013, the act now includes the term bullying and prohibits acts of cyber-bullying. **DASA states that no students shall be subjected to harassment by employees or students, nor shall any student be subjected to discrimination based on their actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender identity or sex.** The law applies to school property and any school-sponsored function or activity. Under this law, school districts are responsible for preventing, monitoring and addressing bullying through staff training to raise awareness and sensitivity of school employees to issues of harassment and discrimination, sensitivity and tolerance curricula for students, as well as reporting acts of bullying to the New York State Education Department through the defined reporting system.

Reporting Incidents of Discrimination, Harassment and Bullying

Students who have been bullied, harassed or discriminated against, parents whose children have been bullied, harassed or discriminated against, or other students or staff who observe bullying, harassing or discriminating behavior are encouraged and expected to make a verbal and/or written complaint to any school personnel in accordance with the training and guidelines provided, as well as any applicable district policies. PROHIBITED STUDENT CONDUCT

Code of Conduct Excerpt

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.

It is expected that all students conduct themselves in a manner that supports the intent of the Dignity for All Students Act; creating a safe and supportive school environment free of discrimination, bullying/cyberbullying and harassment.

Students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their misbehavior. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student's ability to grow in self-discipline.

The Board recognizes the need to make the expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct. All violations apply to student behavior in school, on school property, on school buses, and at school-sponsored functions, and student behavior off school property where such acts create or would foreseeably create a risk of substantial disruption within the school environment.

HEALTH SERVICES

Students becoming ill during the school day should report to the nurse. If the student needs to be sent home, the nurse will inform the parent, and the student will be released from school. Parents are to pick up students and sign them out in the school lobby. If these procedures are not followed, when the student leaves he/she will be given an unexcused absence for classes missed. In the case of a junior or senior who drives to school, phone contact will be made with a parent/guardian for permission for the individual to drive home. Students who need to bring medication to school must take it to the school nurse. No medication will be dispensed by any other school official.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, and furniture supplied by the school. Students who damage school property, equipment, or break windows will be required to pay for the damage done or replace the item. Replacement books will not be issued until payment has been made for the lost book. A fee equal to the replacement cost will be charged for hard or soft cover books.

PROCEDURES FOR PARENTS TO ADDRESS ACADEMIC OR BEHAVIOR CONCERNS

The following steps should be followed in addressing either academic or behavioral concerns:

1. Student and/or parent(s) should schedule a meeting with teacher or member of the staff. If this student and/or parent(s) meeting does not remedy the issue, the student and/or parent(s) should arrange a meeting with the guidance counselor.
2. If the problem has not been satisfactorily resolved, any of the persons involved may request that the group meet with the administration.

DROPPING A COURSE

Students will be permitted to drop a full year class until the end of the 1st quarter. Students will be permitted to drop a semester course until the end of the third week of the 1st quarter the class runs.. The guidance counselor will contact the parent to review the situation and obtain consent.

After the drop period ends, students may withdraw from a class with the following stipulations:

The student will receive a 50 for the quarter in which they drop the class. This will average with all the previous grades in that class and count towards the final average. If the student withdraws in the final quarter of the course, the student will receive a 50 or the actual quarterly average, whichever is lower. The final average will be calculated without a final exam.

HOMEWORK

Homework is a necessary part of each pupil's education program. Each student is expected to spend appropriate time in addition to scheduled class instruction to achieve satisfactory progress. Some assignments are long range in nature and extended time is needed for their completion. Planned study eliminates the necessity of "cramming" the day before a test or when an assignment is due.

HONOR ROLL - Grade 6 through 12

High Honor Roll - average for quarter: 95-100

Honor Roll - average for quarter:90-94.99

MAKE-UP WORK AND TESTS

A student who is absent for one day is expected to make up any and all tests missed on the day he/she returns to school. If a student is absent two or more days, he/she will be given the number of days which he/she has been absent to make up the work missed. In no case is this period to extend beyond five days unless the absence has been medically excused by a physician.

A student may be given a maximum of five school days after the end of a marking period to make up work he/she missed. In extraordinary situations (usually of a medical nature), the student may request an extension of that time.

Each staff member is also available for assistance and enrichment, Monday through Thursday, from 2:30 to 3:00 p.m. Students may request assistance from a specific member of the high school faculty during this period.

PUPIL EVALUATION

In grading, a teacher will consider the students' test grades, class work, homework and any special assignment. The teacher will assign grades in accordance with the policy which he/she has distributed to the class in the beginning of the year and filed with the office. A minimum grade of 50 will be assigned for the first three quarters of the school year. For the fourth quarter the actual grade will be entered. Final computation for the course work for grades 9-12 will be an average of the four quarters.

In Regents courses longer than one year, a local final will be given at the end of the first year.

WEIGHTED GRADES

Course averages for AP/College level classes will be weighted by 1.1. Honors courses will be weighted by 1.05. Weighted grades will be calculated quarterly.

CREDIT FOR REGENTS COURSES

A Regents course of study involves class attendance, homework assignments, quizzes, tests, and other activities, as well as the Regents examination that is administered at the end of the course. When deciding whether or not a student has satisfactorily completed a Regents course of study and is entitled to a unit of credit, the teacher will evaluate the pupil's performance on all of these activities. Regents credit will not be given if only the regents examination is passed and not the course.

In science courses with labs, a student must have successfully completed 1200 minutes of hands-on laboratory experience with satisfactory reports on file.

GUIDELINES FOR ATTENDING THE ACADEMY OF APPLIED TECHNOLOGY (BOCES) PROGRAMS

Parents and students should know that BOCES is a part of a student's 4-year academic plan.

These are the guidelines for BOCES participation:

1. Students must be in good academic standing and have obtained junior (11th grade) status (please see student promotion criteria outlined in the student handbook).
2. Students must be in compliance with the school's attendance policy. School attendance policy also applies to BOCES classes (refer to Attendance Policy #7110).
3. Students must attend school sponsored field trip to BOCES or arrange for a BOCES site visit with their parent/guardian prior to application submission.
4. Completed BOCES applications must be submitted by March 1st of the prior year.
5. Continued enrollment in BOCES is contingent upon success in program.
6. Students must sign and abide by our school's BOCES Commitment Form.

CLASS RANK

The Board of Education has adopted a "no-ranking" policy. Due to the small size of our school, the Board believes that the practice of determining class rank does not give an accurate picture of a student's performance. A profile of the school will be included to address this issue. However, individual requests for scholarship ranking will be calculated as follows:

- a) Computation of cumulative grade point averages will be based on the course credit assigned;
- b) Cumulative grade point averages for college transcripts will be computed at the end of the junior year and updated at the end of the first semester of the senior year;
- c) Credit from other schools will be interpreted and assigned credit by the Principal in conjunction with the Guidance Counselor;
- d) Student Assistant Courses will receive grades of Pass (P) or Fail (F); and
- e) All pass/fail are excluded from GPA. A failed grade is excluded from the GPA if the student retakes the same course for a higher grade. However, the lower grade remains on the transcript.

STUDY ABROAD STUDENTS

When Shelter Island students take courses in a foreign country, their grades will be evaluated after an official transcript is received. Such courses may be evaluated for credit after review by the Guidance Counselor and the high school Superintendent. Grades for such courses will not be considered part of the overall average. Shelter Island students will be expected to complete all credit requirements for graduation.

VALEDICTORIAN AND SALUTATORIAN

Determination of the Valedictorian and Salutatorian will be based on strict numerical computation accurate to the thousandths decimal place from courses taken in the District, using weighted GPA for all courses receiving high school credit.

- a) At the end of the third quarter of each school year, the Valedictorian and Salutatorian will be determined for the graduating class. Selection will be made from those students who are candidates for a Regents Diploma with Advanced Designation. In order to qualify for these honors, a student must have completed at least four (4) semesters in their freshman, sophomore, and junior years, and the first three quarters of their final year in the Shelter Island High School.

- b) Valedictorian and Salutatorian will have the required Regents courses and exams of a Regents Diploma with Advanced Designation by the beginning of the second semester of the senior year.
- c) Valedictorian and Salutatorian should be enrolled in at least one-half (1/2) of the AP/College level classes offered in the high school.
- d) Valedictorian and Salutatorian must be compliant with the District Attendance Policy.

Section 1—The selection of members to this chapter shall be by a majority vote of the Faculty Council consisting of five faculty members appointed by the principal. The Chapter adviser shall be the sixth, non-voting, ex officio member of the Faculty Council.

Section 2—Prior to selection, the following shall occur:

1. Students' academic, disciplinary, and attendance records shall be reviewed to determine eligibility (see Article II section 3).
2. Students who are eligible ("candidates") shall be notified and asked to complete and submit the Student Activity Information Packet for further consideration for selection.
3. The Faculty Council shall review the Student Activity Information Packet and faculty evaluations in order to determine membership.

Section 3—The selection of new active members shall be held following the first quarter of the Junior year. An opportunity for membership shall also be given following the first quarter of the Senior year.

Section 4—Sophomore, Junior and Senior Candidates become members when inducted at a special ceremony. Attendance at said ceremony is mandatory. Exceptions may be made by the faculty council.

Section 5—Once selected and inducted, all members are expected to maintain the standards, in and outside of school, by which they were selected, and maintain all obligations of membership.

Section 6—An active member of the National Honor Society who transfers from this school will be given a letter indicating the status of his or her membership and signed by the principal or chapter adviser.

Section 7—An active member of the National Honor Society who transfers to this school will be automatically accepted for membership in this chapter. The Faculty Council shall grant to the transferring member one semester to attain the membership requirements and, thereafter, this member must maintain those requirements for this chapter in order to retain his or her membership.

ARTICLE IV: DISCIPLINE AND DISMISSAL

Section 1—Any member who falls below the standards of scholarship, leadership, service, or character may be considered for dismissal from the Shelter Island chapter of the National Honor Society. A member of the National Honor Society is expected to maintain his or her academic standing and take an active role in service and leadership to his or her school and community. He or she is expected to exhibit positive behavior and possess integrity. The chapter adviser will monitor students for compliance.

Section 2—If a member's cumulative GPA falls below the standard in effect when he or she was selected (90%), he or she will be given a written warning and a time period for improvement. If the cumulative GPA remains below standard at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council, which may include consideration of dismissal from the chapter.

Section 3—If a member fails to perform any of the published obligations of membership, he or she will be given a written warning and a time period for improvement. If the obligation remains unmet at the end of the warning period, the student will be subject to further disciplinary action by the Faculty Council (i.e. loss of privileges, additional community service), which may include dismissal from the chapter.

Section 4—Offenders of the school conduct code (such as use of profanity, failure to comply, unexcused

absence, excessive tardiness, etc.) will receive written notification. A conference may be requested by either party. If the member is involved in another violation of the school conduct code, the member may be considered for dismissal. Flagrant violations may result in an immediate move to dismiss.

Section 5— Cheating of any kind is expressly forbidden. Members must neither give nor receive academic information inappropriately. Students found guilty of cheating can be brought up for immediate consideration of dismissal from the chapter.

Section 6— When National Honor Society members post photographs, pictures, comments, or statements on any web-based social network, including but not limited to Facebook, Twitter, Instagram and Snapchat and Tinder, they are held to the same standards and qualities of character and leadership under which they were selected.

Section 7—Violation of the law or school regulations can result in dismissal of a member. These violations include, but are not limited to, stealing; destruction of property; cheating; truancy; or possession, selling, or being under the influence of drugs or alcohol. The Faculty Council can review patterns of behavior as the basis for dismissal.

Section 8—In all cases of pending dismissal:

- a. The member will receive written notification indicating the reason for possible dismissal from the adviser or Faculty Council. The member and adviser can discuss the written notification in a conference. Situations that involve flagrant violations of school rules or the law can warrant disciplinary action without a written warning, although a hearing must still be held.
- b. The member will be given “Due Process”, the opportunity to respond to the charge against him or her at a hearing before the Faculty Council prior to the vote on dismissal. If the student chooses to respond in writing instead of appearing before the Faculty Council, this will be considered “Due Process”. The Faculty Council will then vote on whether to dismiss. A majority vote of the Faculty Council is needed to dismiss any member.
- c. The results of the Faculty Council vote will be reviewed by the principal, and then expressed in a letter sent to the student, parents, and principal. Dismissed members must surrender any membership emblems to the adviser.
- d. The Faculty Council’s decision may be appealed to the building principal and afterwards through the school district discipline policy.
- e. When a student is dismissed or resigns, he or she is no longer a member and may not be reconsidered for membership in the National Honor Society.

Section 2—Student officers shall be elected at the last meeting of each school year. All returning active members are eligible to run for a position as an officer. A member cannot put his or her name forward for more than two offices. All active members of the chapter are eligible to vote.

Section 3—A majority vote, by secret ballot, shall be necessary to elect any officer of this chapter. The voting quorum is 50% attendance of members in good standing. If the first vote does not yield a majority, a second vote shall be taken of the two candidates receiving the highest number of votes. If this results in a tie, the Faculty Council will decide the outcome.

Section 4—It shall be the duty of the president to set the agenda and preside at the meetings for this chapter.

Section 5—The vice president shall preside in the absence of the president and remind members of upcoming meetings.

Section 6—The secretary shall distribute a calendar of meetings, keep the minutes of meetings and be responsible for all official chapter correspondence.

Section 7—The treasurer shall keep the record of chapter expenses, dues, and complete all other financial transactions of the chapter.

ARTICLE VI: EXECUTIVE COMMITTEE

Section 1—The executive committee shall consist of the faculty adviser and the chapter officers.

Section 1—The chapter shall determine one or more-chapter service projects for each quarter.

Section 2—Each member shall have the responsibility for choosing and participating in an individual service project (either for the duration of the school year or per quarter) that reflects his or her particular talents and interests and as approved by the chapter adviser. This is in addition to the chapter service projects, to which all members contribute.

Section 3—All members shall regularly participate in projects. Absence from a designated chapter project will require an additional individual or chapter service project for the quarter.

Section 4— These projects shall have the following characteristics: fulfill a need within the school or community; have the support of the administration and the faculty; and be well planned, organized, and executed.

Section 5—The chapter shall publicize its projects in a positive manner.
