Big Kahuna Fundraiser

Our BIG Annual MES fundraiser kicked off this week!! Our students need your help supporting it! Every year 5th grade students get the opportunity to attend Camp Grady Spruce **free of charge** from the proceeds provided by Big Kahuna. We also use the extra funds to help with other needs on our campus.

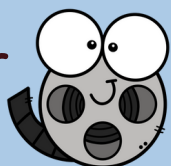

It is important to note that this is NOT associated with our incredible PTO. This fundraiser is run solely through MES. If you have any questions about the fundraiser, please call the front office.

By choosing to participate in this fundraiser you are gifting our school with an outstanding experience and necessary supplies to enrich each of your child's learning environment. Thank you for your support!

Please make sure you received your packet and have registered online. Tickets can be turned in daily to receive prizes.

Shout Outs

STUDENTS

Ms. Vasquez's homeroom demonstrated the true meaning of respect & teamwork during a guidance lesson challenge this week. THANKS for showing that CKH is making a difference in your character!!

STAFF

Mrs. Edwards quickly and selflessly aided a 1st grade student who was having some tummy issues during morning assembly. It's the not-so-glamours moments that show of staffs' dedication. CONGRATS!!

Library News

-This week in the library our 4th & 5th graders read "The Boo-Boos that Changed the World" by Barry Wittenstein. It was fun learning about the invention of the band-aid!

-Taylor from 1st grade used her DoJo points to spend some one-on-one time with Mrs. Davison in the library. Thank you for choosing this special place as your reward!

-GREAT things going on in the library!

Counselor's Corner

MES students attend biweekly guidance classes, enjoy stories/videos that reinforce the CHK character traits, practice strategies to improve social skills & brainstorm ways to be successful in/out of the classroom. Xello is new to our students' toolboxes. This platform provides information on various career paths, including required education, skills, and related job options. It helps to identify their interests, skills, & values needed to guide their career exploration.
