

What is a School-Parent Compact?

A School-Parent Compact is a joint agreement between the school and parents for the purpose of collaborating and offering ways in which both parties can work as a team to help students succeed.

Jointly Developed

The parents, students and staff of Starkey Elementary developed this School-Parent Compact. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to provide feedback on the compact at anytime during the school year.

What is Title I?

Title I is a federal program that provides supplemental funding to the state and school districts. The funding is for resources to help schools with high concentrations of students from low-income families provide a high-quality education that will enable all children to meet the state's student performance standards.

SCHOOL-PARENT COMPACT

Parent Involvement Shared Responsibilities

Parent involvement is an important aspect of your child's success in school. We encourage you to be actively involved in your child's education. Each Title I school has a unique parental policy that is supplemental to the district policy.
