This calendar includes 171 instructional days. This gives us two potential days for inclement weather as the District is required to have 169 instructional days. If we need more than 2 weather days, we will use up to 36 hours of Alternative Methods of Instruction (AMI) to provide instructional time to meet the requirement of 169 instructional days. If more time is needed than our AMI allowance, this could result in extending the school year beyond the originally scheduled last day.
