

- The Standard Scholarship Application for Northwest Missouri State University, which is now available for students through their CatPaws portal. The application will close promptly at midnight on **February 1st**.

To access the application:

1. Students must log in to their CatPaws account (their student portal).
2. Locate the "Student" section to find the Standard Scholarship Application.

Additionally, I want to highlight that the **Music Scholarships** will also close on **February 1st**. Students do **not** need to be music majors to apply, so this is a great opportunity for students with an interest in music. Please encourage your students who have musical talent to consider applying for these scholarships as well.

If students have any questions or need assistance with the application, they can reach out to our Admissions team at admissions@nwmissouri.edu or 660.562.1562.
