

Hengesbach Memorial Scholarship Foundation

STUDENT SCHOLARSHIP

The Hengesbach Memorial Scholarship was created in memory of brothers, Charles, Albin, Paul and Jim Hengesbach and nephews John, Steve and Gary. These men spent their entire careers in the construction management and carpentry fields. Having both trained and employed many workers in the field, this scholarship was established in their memory. The scholarship intent is to help those going into the construction and associated vocational trades. It is offered to assist and encourage workforce education and training in the construction industry. The Hengebach Memorial Foundation welcomes individuals to apply for this scholarship, which may be used to fund post-secondary education, ie., college, vocational, public or private institutions.

Please see the scholarship application for requirements.

Due April 1st

Hengesbach Memorial Scholarship Foundation

STUDENT SCHOLARSHIP

APPLICATION FORM

The Hengesbach Memorial Scholarship will be awarded to high school graduates or GED recipients who are pursuing post-secondary vocation skilled trades education and training in an apprenticeship program or post-secondary educational institution. The scholarship will be awarded based on an evaluation of the attached criteria. Accuracy in completing the application is critical and will affect the final evaluation. Fill out the application using an ink pen and printing neatly or by typing, including signing the application.
