### What is a uniform fitting?

A school uniform fitting allows students and families to try on uniform tops and bottoms for the correct fit and size. Families can take home the items or place orders for any out-of-stock products or special order items.

### Can I order online?

Absolutely! Our store is open year round and if you already know your child's size, ordering online is a great option! We offer \$5 USPS shipping during your fitting dates.

### Why should we attend?

All orders paid in full will receive a 10% discount on the total purchase, both online and in-store! **Your school has a special order plaid that may take 8-12 weeks to receive if we do not have your size.** This gives us ample time to have the item to you prior to school starting.

### What if my child grows?

We fit for growth! Any stock items purchased that are unworn and with tags can be exchanged for another size!
