FIELD PLAY

Parent/Guest RSVP

Visitors are required to wear a Raptor sticker when they visit Warner Elementary. Raptor nametags can be printed from a valid drivers' license from any state, a military ID, or state ID.

If you plan to attend Warner Field Play and **have had your license scanned this year at Warner**, you may fill out the form below and return it to school by **February 12th**. We will be able to print your Raptor sticker before you arrive.

If you have NOT visited Warner and had your license scanned, you will need to come in to the office **PRIOR** to **February 12, 2025** to have your license scanned. Otherwise, you will be required to check in at the front office (which can be time consuming if the line is long) if you plan to attend the event. **There will be No Lunch Visitors for all grade levels on Tuesday 03/04, Wednesday 03/05 and Friday 03/07.**

Please complete and return this form to your child's homeroom teacher by:
Wednesday, February 12, 2025

CFISD Chromebook Week and Device Check

What is it?

Chromebook Week and Device Check are designed to effectively track Chromebooks and ensure that the device receives all the required updates. In addition, students can submit support tickets for any issues they encounter with their devices.

When is it?

Chromebook Week and Device Check will be the last full week in September, November, January, and March each school year. Tuesday, Wednesday, and Thursday will be the log-in days. Campuses choose the period or time of day.

What do we need students to do?

- Power off their devices and then turn them back on.
- Sign into their Google account and the student portal.
- Use the device for at least 15 minutes. Submit a support ticket if there are
- problems with the device.

What kind of issues require a support ticket?

- Cracked screen
- Touch screen not working correctly
- Device won't connect to the internet
- Headphones won't work when connected
- Cracks on lid or keyboard
- Missing keys
- Won't charge
- Lost charger/case/device

How can you help?

- Make sure that students bring their devices each day during Chromebook week.
- Help students follow the process of shutting the device down and then logging back into the device.
- Ask students if they have put a support ticket for device issues.

PBIS Rewards

FAMILY APP INFORMATION

WHAT IS IT?

As part of the PBIS Rewards suite of apps, the free PBIS Rewards Family App allows parents and guardians to view student point totals, number of referrals, items purchased with points, and upcoming events for which points can be used.

HOW DO I GET CONNECTED?

Once you download the app onto a smartphone, you can scan a QR code to activate a student in the app. This QR code is unique to each student and is provided to the parent via a letter from the school. The app confirms the QR code, allowing the parent to access to their student's point totals and progress as the school year goes along.

STEPS TO GET CONNECTED

1

Download the PBIS Rewards Family app on your device.

2

Wait for a text or email from your child's teacher which will include a link and QR code to help you get connected to your child.

3

- Communication**
 - Two-way messaging
- Points**
 - view teacher comments for points awarded
- Purchases made by student**
- Contact information for all teachers so parents/guardians can contact staff directly from the app.**

WHY SHOULD I USE IT?

The PBIS Rewards Family App allows parents and guardians to track the progress and point totals of students. The parent/guardian can view the information for each child. The school can generate paper letters, emails, and/or text messages to connect parents and guardians with their students within the app.

REMEMBER...

Remember that...

- This is an easy way to communicate with your child's teacher.
- Reinforce good behavior at home.
- Have conversations with your child about the behaviors and decisions that they make at school.
