The District shall promote nondiscrimination and an environment free of harassment based on an individual's race, color, religion, creed, sex, sexual orientation, gender identity/expression, national origin, ancestry, disability, (including, but not limited to, intellectual disability, past or present history of mental disorder, physical disability or learning disability), genetic information, marital status or age or because of the race, color, religion, sex, sexual orientation, gender identity or expression, national origin, disability, genetic information, marital status or age of any other persons with whom the individual associates or status as a Veteran. The District provides equal access to the Boy Scouts and other designated youth groups.

In keeping with requirements of federal and state law, the District strives to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered to students; in student assignment to schools and classes; in student discipline; in location and use of facilities; in educational offerings and materials; in accommodating the public at public meetings; as well as the District website.

The Board encourages staff to improve human relationships within the schools and to establish channels through which citizens can communicate their concerns to the administration and the Board.

The Superintendent shall appoint and make known the individuals to contact on issues concerning the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1974, Title VI, Title VII, Title IX and other civil rights or discrimination issues. The Board will adopt and the District will publish grievance procedures providing for prompt and equitable resolution of student and employee complaints.

Federal civil rights laws prohibit discrimination against an individual because he/she has opposed any discrimination act or practice or because that person has filed a charge, testified, assisted or participated in an investigation, proceeding or hearing. ADA further prohibits anyone from coercing, intimidating, threatening or interfering with an individual for exercising the rights guaranteed under the Act.
