2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

|---|---|
| Admission Requirements for the University of California (UC) | Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ . |
| Admission Requirements for the California State University (CSU) | Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ . |

2024-25 School Description and Mission Statement

Flora Vista Elementary School, recognized four times as a California Distinguished School by the California Department of Education, is one of nine award-winning elementary schools located in the Encinitas Union School District. Our school's emphasis on Leadership in Civics & Science prepares students to be successful and contributing members of the rapidly evolving world in which they live. We were the only California elementary school to be honored with the 2019 Civic Learning Awards of Excellence, and were a recipient of the CA Golden Bell Award for our preschool learning program. At Flora Vista, we strive to incorporate a DREAMS model of education throughout students' experience at Flora Vista, in which the process skills of Design Thinking & Research drive the teaching & learning that connects the content areas (including Engineering, Arts,

2024-25 School Description and Mission Statement

Math, and Science). Technology is used by all students in that process, as they access and produce content in a 1:1 iPad environment, and an emphasis on information literacy threads throughout all content areas. Our students have the opportunity to learn in environments ranging from our school garden to our EUSD Farm Lab satellite campus, all supported by an energetic and passionate staff. To support the development of the whole child, students participate in yoga and health & wellness lessons, and consultants provide supplemental instruction in the arts/music, science, and physical education. In spring 2023, EUSD engaged our communities in drafting our Framework for the Future, which guides our district's strategic plan as our Blueprint for Excellence. The Framework for the Future highlights our district's core values of joy, belonging, integrity, service, and innovation. It also outlines through our Learner Profile the the attributes and skills we aim to develop in our students to ensure that they are well-equipped for success in an increasingly complex and interconnected world. The six competencies of the Learner Profile include Empowered Learner, Global Citizen, Innovative Thinker, Wellness Advocate, Skilled Communicator, and Confident Collaborator. Encinitas Union School District ignites the limitless potential of all learners. Our school is nestled in the heart of the beautiful and family-friendly Village Park area, serving approximately 377 students in kindergarten through sixth grade. Due in large part to our very active, supportive, and fun PTA, Flora Vista has the feel of a true neighborhood school. Our community actively supports Walk and Bike to School Days, and the concept of "Safe Routes to School" for pedestrians and bicycle riders.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |

School Facility Conditions and Planned Improvements

Flora Vista Elementary School provides a safe, clean environment for students, staff, and volunteers. The school facilities were built in 1979 and currently include the library, multipurpose room, staff lounge, 26 permanent classrooms, a preschool building with four classrooms, and three playgrounds. In 2023, older portable classrooms were removed and a new wing of classrooms was built. The intercom system was updated during 2016-17. The media center was remodeled during the 2010-11 school year.

District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

All schools within the Encinitas Union School District are in the process of receiving various site upgrades based on the Capital Facilities and Technology Plan submitted as a component of Proposition P that was passed by the voters in November 2010. With the recent passing of Bond Measure Z in the Fall of 2024, Flora Vista will receive site upgrades as outlined in the district's Facilities Masterplan, which can be found on the EUSD website.

Year and month of the most recent FIT report: April 2024

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2022-23 | School 2023-24 | District 2022-23 | District 2023-24 | State 2022-23 | State 2023-24 |

| English Language Arts/Literacy (grades 3-8 and 11) | 75 | 75 | 71 | 72 | 46 | 47 |
| Mathematics (grades 3-8 and 11) | 71 | 70 | 67 | 68 | 34 | 35 |

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Flora Vista offers a variety of events, programs and activities throughout the school year for parents to become actively involved in their child's school and education. Our Back-to-School Fall Social, Kindergarten Summer Playdates, Jog-a-Thon, Fall Festival, Spring Gala & Auction, Restaurant Nights, Performing Arts Nights, Academic Events, Spring Social, Wellness Week, and Walk to School Week are just a few of the many activities and events open to parents. Parent and school-community organizations are extremely supportive of the educational program at Flora Vista. Organizations include the Parent Teacher Association (PTA), Encinitas Educational Foundation, EUSD Special Ed Parent Council, and more. All volunteers participate in an orientation and training, and all visitors/volunteers are cleared through the Megan's law database. Our PTA has reimagined many of our annual programs to be more inclusive and to encourage community engagement during and after the pandemic era. Some opportunities for virtual parent meetings (e.g. PTA meetings) have remained in place after COVID only when it has served to increase participation and access for our families.

2024-25 School Safety Plan

Maintaining a safe, clean, and orderly environment is a top priority and essential to teaching and learning. The Comprehensive School Safety Plan (CSSP) is developed by Flora Vista Elementary in consultation with local law enforcement/emergency preparedness staff, School Site Council (SSC) and Administrative Services in order to comply with Senate Bill 187. The CSSP

2024-25 School Safety Plan

includes: Annual Schools Safety Data, School Safety Policies and Procedures, Emergency Preparedness Procedures, and Emergency Plans and Protocols. It was most recently updated and reviewed in October 2024 and was approved by the Board of Trustees in November 2024.

We conduct regularly scheduled safety drills including fire, shelter-in-place, lockdown and earthquake. We practice evacuation procedures for fire, procedures for disaster preparedness, and to be ready to respond to the possibility of strangers or dangers on campus. Our district maintenance and site custodial personnel routinely check all play equipment for safety and make recommendations for proactive maintenance. To ensure safety during instructional hours, the perimeter gates of the site are locked immediately after entry each morning and reopened only at dismissal. During school hours, all visitors are required to present an ID for processing via our Raptor Visitor System. Additionally, our site is alarmed during non-school hours. To monitor all school sites, each school is equipped with surveillance cameras. We have a strong partnership with the San Diego County Sheriff's Department North Coastal Station in Encinitas. All staff takes pride in our school and work together to maintain a well-kept and safe facility.

Professional Development

In Encinitas teachers participate in professional development at least once per month. Four days are dedicated to district-wide training, while six days are dedicated to school specific training. The district-wide trainings during the 23-24 school year focused on student learning and empowerment, student-led conferences and student behavior. Teachers also participate in choice and extended learning opportunities, weekly collaboration and planning, as well as individual professional development around personalized learning topics. In 2023-24 all staff completed two sessions of Grade Level Collaboration focused on the EUSD Learner Profile and grade level standards. Our teachers have also had opportunities to attend district workshops CGI, Multilingual Learners, Behaviors and more.

This table displays the number of school days dedicated to staff development and continuous improvement.
