

Support Staff Recruiting/Hiring

The Board will establish and budget for classified positions in the school district on the basis of need and the financial resources of the district.

Recruiting

The recruitment and selection of candidates for these positions is the responsibility of the superintendent or designee who must confer with principals and other supervisory personnel in making a selection.

All vacancies will be made known to the present staff. Anyone qualified for a position may submit an application.

Background checks

Prior to hiring any person, in accordance with state law the district must conduct background checks with the Colorado Department of Education and previous employers regarding the applicant's fitness for employment. In all cases where credit information or reports are used in the hiring process the district must comply with the Fair Credit Reporting Act and applicable state law.

All applicants recommended for a position in the district must submit a set of fingerprints and information about felony or misdemeanor convictions as required by law. (This requirement does not apply to any student currently enrolled in the district applying for a job.) Applicants may be conditionally employed prior to receiving the fingerprint results.

Hiring

Discrimination in the hiring process on the basis of disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, age, genetic information, or conditions related to pregnancy or childbirth is prohibited.

The Board will officially appoint all employees upon the superintendent's recommendation; however, temporary appointments may be made pending Board action. Upon the hiring of any employee, information required by federal and state child support laws will be timely forwarded by the district to the appropriate state agency.
