

Tuesdays with Mr. Knoll

Dear Canfield Families,

Our students continue to thrive and achieve, thanks to the joint efforts of our parents, staff, community members, and, of course, the students themselves. It's truly inspiring to see how everyone's dedication and teamwork contribute to our nurturing and dynamic school community. Together, we are creating an environment where every student has the opportunity to grow and succeed.

Celebrating Excellence:

- The Canfield Local School District will be celebrating **National School Counseling Week** February 3rd - 7th. We are truly blessed to have amazing school counselors in our district that assist students in achieving school success and plan for a career. A big "Thank You" to our counseling staff. You help make us Stronger Together!!
