Learning

Timeline: Spring 2024 - Fall 2024

Implementation of Student Driven Questioning

- Harvard Course (QFT)
- Trained all staff
- Reviewed curriculum
- Worked with small teams

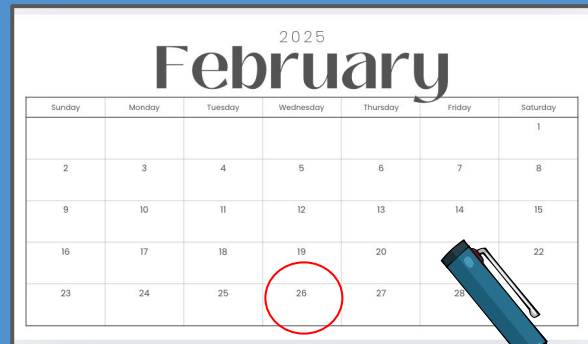

Timeline: Now-February 2025

Strengthening through collaboration

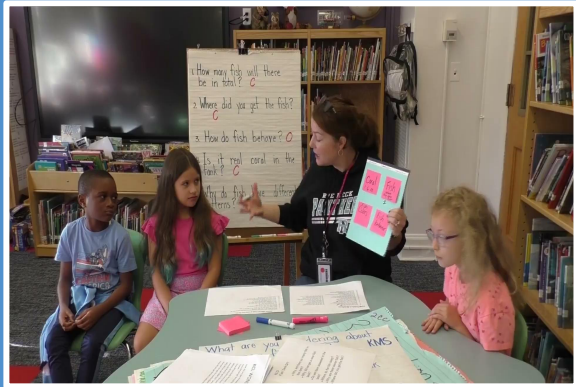

On February 26th, staff will reflect on where they are in the process

- Those who have implemented projects will share
 - Plans and artifacts
 - Reflections on efficacy
- Those in the design phase will
 - Share ideas for implementation
 - Draw from ideas and success of colleagues

Moving forward: Strengthen, reform, reflect!

Ahead of schedule:

- Planned for one small dream by year end.
- Collaborate and reflect on aspects of implementation.
- Broaden our capacity for inquiry approach.
- Develop professional learning that meets our needs.

Next steps:

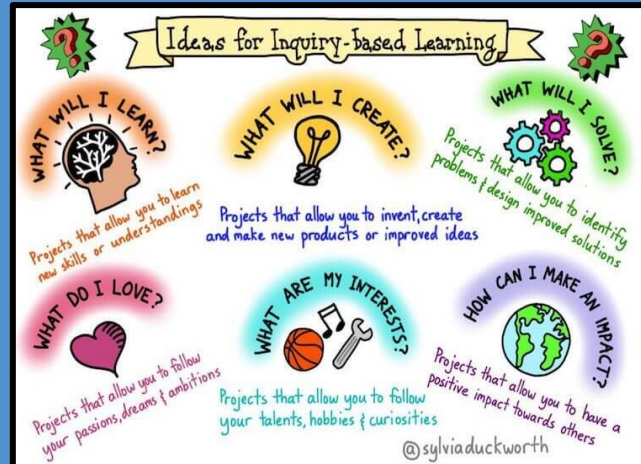

- Continue strengthening our approach and projects.
- Future dates--
 - 10/31/25: Reflect, revise enlarge project, align with goal 2
 - 12/31/25: Collaborate on project for grades 2,5, 8 & 12.

The big picture . . .

When we work from an inquiry perspective, we emphasize . . .

- The natural curiosity of our students
- The social nature of learning
- The energy and drive created by that desire to know
- The relationship between how we frame learning and what gets learned

Our Mission

Rye Neck is a close-knit school community that values local and global voices. We are committed to providing a learning journey that inspires an adaptive mindset and enables all learners to thrive academically and personally.

Strategic Plan

OUR MISSION

Rye Neck is a close-knit school community that values local and global voices. We are committed to providing a learning journey that inspires an adaptive mindset and enables all learners to thrive academically and personally.

OUR GOALS

Rye Neck will:

- Equip all learners to approach problems by asking questions, exploring solutions, taking action, and reflecting on outcomes.
- Build transformative environments that foster empathy, compassion, and connection to the world. Create learning experiences that instill a sense of purpose inside and outside of the classroom.
- Design systems for our professional learning community to develop practices and expertise that lead to transformational experiences for themselves and their students.
