To Have Your Registration Fee Waived**

Give your kids an edge this summer in a social and safe environment where their development will take flight.

Camp Edge offers:

- **Engaging activities:** Our lab based programming means your children will have unique and fun activities daily with other children in their school district.
- **Safe, high quality programs:** Our programs are staffed with experienced teachers and meet or exceed current guidelines.
- **Flexible Scheduling:** Enroll for one week, several or all!

Dates and Pricing

Camp Edge will run **Monday through Friday** from **7:00am–6:30pm** with available sessions the weeks of 6/30, 7/7, 7/14, 7/21, 7/28, 8/4, 8/11, 8/18. Pricing is as follows:

Camp Edge Activities

Programs for **1st-8th Grade** will take place at Samsel Upper Elementary School.

Programs for **Pre-K and Kindergarten** will take place at Jesse Selover School.

Throughout our program, we'll be helping campers develop their EDGE by highlighting their **E**ffort, **D**etermination, **G**enerosity and **E**nthusiasm. Plus, each week will have a different theme to capture their imaginations. Here's a sampling of the fun that's in store for your children.

Boom! Pop! Fizz!

Dive into the world of bubbly, popping, exploding reactions! Campers will become the makers of magical potions and bubbling concoctions that turn into erupting volcanoes and, quite possibly, the fuel to power a rocket that will launch into the air.

Connect with Nature

Campers are encouraged to think about caring for our natural environment. Projects will inspire them to work creatively with recyclable and reusable materials. From making globes to planting seeds, they'll appreciate the world around them with hands-on fun.

Up, Up, and Away

3, 2, 1 – Blast Off! Campers will have a fun time investigating aerodynamics. Airplanes, helicopters and even bubbles all follow principles that allow them to fly. Enlist in Camp Edge's Flight Academy and get ready to soar to new heights.

We'll make the most of the summer by helping children gain confidence and academic ground while also making memories.

Additional Program Information

Enroll by Friday, May 23rd. Registration will be accepted after this date, provided space is available.

Payments for services are due in advance. Any schedule changes must be completed by noon, the Thursday before each week of program begins.
