Honors Biology for 2023-2024

Welcome to Honors Biology at Colton High School. In this course you will learn about the Earth and the life that interacts with it. As this is an honors course, you will be required to be punctual, have a strong interest in the subject, commit to the work, and have a willingness to learn.

Units covered in this course:

Quarter 1

- Unit 1: Population ecology
- Unit 2: Biodiversity
- Unit 3: Energy and cycles
- Unit 4: Biomolecules

Quarter 2

- Unit 1: Photosynthesis and cellular respiration
- Unit 2: Biogeochemical cycles
- Unit 3: Ecospheres
- Unit 4: Origin of the atmosphere

Quarter 3

- Unit 1: Fossils
- Unit 2: Evolution
- Unit 3: DNA
- Unit 4: Genetics

Quarter 4

- Unit 1: Maintaining homeostasis
- Unit 2: Positive prevention
- Unit 3: Body systems

I look forward to teaching you this upcoming year. Please make sure to join our Google Classroom to keep up to date with any announcements and/or assignments.

Sincerely,

Valerie Pelletier
