# Registration Information

- ◇ Registration: You can enroll for Enrichment classes at the following link.
- ◇ Payment: The cost for each program will be posted to family Tuition Management Account, and that payment will be automatically deducted on your regularly scheduled Tuition Management payment date.
- ◇ Pick-Up: Following class, students who have not been picked up will be taken to Barrie School's Extended Day program. Please reach out to Tim Evans at [tevens@barrie.org](mailto:tevens@barrie.org) for students in Grades 1 - 8.

Space is not guaranteed. Drop in rates apply for late pick-ups.

- ◇ Cancellation and Refunds: If a program is cancelled due to low enrollment, families will receive a full refund for their students. Families who wish to remove a student from a program prior to its start must be done at minimum three business days in advance of the start of that particular program. A partial refund, excluding a \$25 registration fee, will be returned if cancellation is three days prior to the start of that program. There are no refunds for any cancellation after a program has begun. In the event that a class is cancelled due to inclement weather, families will be given a refund for the class session missed if the class is unable to make up at a later date. There are no refunds if a class is missed due to a student's absence.

\*class location are subject to change. Any location changes will be communicated through email.

## NEW THIS SEASON

### Cracking the Confidence Code with Ms. Beth

Location: Terrapins Classroom (Upper Elementary Building)

Timing: 3:45 - 4:45

Eligible for: 3rd - 6th Grade

Frequency and Price: 12 classes for \$250

Class Day: Thursday

Dates: 2/13, 2/20, 2/27, 3/6, 3/13, 3/20, 4/3, 4/17, 4/24, 5/1

Program Notes: Did you know that between the ages of 8 and 14, girls' confidence levels drop by an average of 30 percent compared to boys? As girls approach adolescence, their openness to risk (and failure) give way to biological and societal messages that tell them to value perfection and avoid risk. In this 12-week session, we will read the #1 New York Times Bestseller *The Confidence Code for Girls*, a book adapted for girls aged 8-12, full of graphic novel strips, (fun) quizzes, and stories from real girls. Each week we will read a chapter in the book, discuss the scenarios presented in the book, and follow the journaling activities to learn how to try new things and build our own confidence through action.

## NEW THIS SEASON

### SportFit by Ball2Life

Location: Strauss Gym

Timing: 4:00-5:00pm

Eligible for: 2nd-5th Grade

Frequency and Price: 10 Classes for \$275

Class Day: Fridays

Dates: 2/14, 2/21, 2/28, 3/7, 3/21, 4/4, 4/18, 4/25, 5/2, 5/9

Program Notes: Our program lays the foundation for a lifetime of physical and mental well-being. Our participants not only develop essential athletic skills but also gain social, emotional, and cognitive benefits from active play and teamwork. Our curriculum fosters confidence, perseverance, and collaboration while ensuring every child feels included and encouraged to achieve their best. See more in the attached program flyer!

# SPORT FIT

## FOR 2ND-5TH GRADERS

Our Sport-Fit program offers children in 2nd-5th grade an engaging and holistic physical education experience. Through a dynamic mix of sports and fitness activities, we focus on building strong bodies, sharp minds, and team spirit, all while preparing children for life's challenges. Each session emphasizes effort, teamwork, and appropriate risk-taking in a supportive, growth-oriented environment.

### Class Description:

Our program lays the foundation for a lifetime of physical and mental well-being. Our participants not only develop essential athletic skills but also gain social, emotional, and cognitive benefits from active play and teamwork. Our curriculum fosters confidence, perseverance, and collaboration while ensuring every child feels included and encouraged to achieve their best.

### Schedule:

- Duration: 1 Hour
- Frequency: Weekly.

### Activities:

- **Skill Development:** Kids learn the basics of basketball, soccer, flag football, and fitness through fun, structured drills.
- **Partner Activities:** Working in pairs, children practice teamwork, communication, and coordination in playful exercises.
- **Group Activities:** Group challenges and games encourage collaboration, sportsmanship, camaraderie, and support social-emotional development.
- **Athlete Development:** Each session focuses on helping kids improve their skills while building discipline.
- **Engaging Curriculum:** New equipment and activities are introduced weekly, keeping sessions fresh and fun.
- **Session Structure:** Sessions are structured to balance skill development, teamwork activities, and fun games to keep participants engaged throughout the session.

## Chess: The Road to Grandmaster

Location: Lower Elementary Art Room

Timing: 3:45-5:00

Eligible for: 1st-8th Grade

Frequency and Price: 10 classes for \$130

Class Day: Mondays

Dates: 2/10, 2/24, 3/03, 3/10, 3/17, 3/31, 4/07, 4/14

Program Notes: Delight students with highly engaging chess lessons adapted to your students age and chess level. In this class, your students will learn the basics of chess, openings, strategy and several chess-variant games like zombie chess and two-time chess. Beginning with free play to evaluate familiarity and comfort level, we will layer in skills and work with kids to learn to apply them to game play. Next, variant games are a great way to keep learners interested, and chess extra fun and playful. Throughout this program, we will work with your child to connect chess concepts, so they internalize the game's rules and overarching framework. Total beginners will have a blast without chess experience. Advanced chess wizards will develop a deeper understanding of the game. Everyone will graduate with knowledge and joy for the game.

## Pokémon Trainer's Academy

Location: Camp Office

Timing: 3:45-5:00

Eligible for: Grades 1-8

Frequency and Price: 10

Weeks for \$175

Class Day: Mondays

Dates: 2/10, 2/24, 3/03, 3/10, 3/17, 3/31, 4/07, 4/14, 4/21, 4/28

Program Notes: Do you want to be the very best? Like no one ever was? Learn the classic Pokémon Trading Card Game from a certified Pokémon Master! During this class, you will learn the skills and strategies it takes to successfully battle against your friends using your chosen team of Monsters! All the tools you will need are provided by the instructor, so there is no need to run out and buy anything!

## Martial Arts: 1st - 5th Grade

**Instructor:** Brian McNelis

**Location:** Strauss Gym

**Timing:** Tuesday and Thursday: 4:10 - 5:10 pm

**Frequency:** 20 Classes

**Price:** \$475 (optional uniform for an additional \$40)

**Dates:** 2/11, 2/13, 2/18, 2/20, 2/25, 2/27, 3/4, 3/6, 3/11, 3/13, 3/18, 3/20, 4/1, 4/3, 4/8, 4/15, 4/17, 4/22, 4/24, 4/29

**Program Notes:** Sensei Brian is a fourth degree Black Belt in Tae Kwon Do, and has been an instructor at Barrie since 2002.

Martial arts and character lessons based in the Jhoon Rhee and Chunji Styles of Tae Kwon Do. We work on building a solid foundation of the fundamentals of Tae Kwon Do, character building, personal safety and physical fitness. The goal is to provide a fun, SAFE, and constructive environment in which to learn the basic skills of life – focus, discipline, courtesy, concentration, perseverance and self-defense skills – while having fun. Through the practice of Martial Arts, students will improve their coordination, physical condition, reaction, and self-discipline. Studying with Sensei, children will learn to manage interpersonal relationships, and learn how create a true atmosphere of friendship and respect.

## Makerspace: Robots, Coding and AI

Location: U.E. Makerspace

Instructor: B.A. Grace

Timing: 4:00 - 5:00 PM

Eligible for: 1st - 5th Grade

Frequency and Price: 8 classes for \$225

Class Day: Wednesdays

Dates: 2/12, 2/19, 2/26, 3/5, 3/12, 3/19, 4/2, 4/9

Program Notes: In this program, students will spend each session learning about different aspects of computer science. Students will be introduced to computer programming and programming languages, will get an opportunity to code different types of robots and will discuss and practice the application of Artificial Intelligence. As a final project, students will use Lego Mindstorm pieces to create their own robot design.

*\*\*Pick up after the end of each class will be in front of the Upper Elementary School Commons on Barrie's Lower Campus.*

Cancellation:

Tuition is non-refundable following the start of the program unless there is a demonstrable medical condition preventing the Student from continuing in the program (requires written letter from the Student’s doctor), or the Student has withdrawn from Barrie School. See Enrichment Guide for more information on cancellations.

Liability Waiver:

I/We, the undersigned, parent(s) and/or guardian(s) of the child attending this class (the Student), hereby consent to the participation of the Student, in this program. If the Student should befall any injury entering, during, or leaving the class, I wish for the Program Instructor to take appropriate steps to immediately notify the parent or emergency contact listed above. In the event that the emergency contact is unreachable, I authorize the Program Instructor to take any and all necessary steps to obtain medical treatment for my Child. I/We further discharge and release the provider offering the program and its employees or Barrie School and its employees from any and all liability for injury, loss, damage, obligation, expense, or penalty sustained by the Student arising out of or in connection with the Student’s participation in the class.

My child, named on this registration form as the Student, is in good health, physically ready to participate in this program, and has my permission to do so.
