# What Makes the Global Gala so Special?

It's not just an event—it's **our event**, the heartbeat of the ISDenver community. Parents, teachers, and staff come together to celebrate, connect, and support the mission we all believe in: inspiring global citizens and shaping curious, compassionate leaders.

Last year we netted more than \$330,000 for ISDenver's annual priorities, and we're planning to do it again!

Your support this year will help:

- **Expand Financial Assistance:** Making ISDenver accessible to more families.
- **Revitalizing our Gymnasium:** Transforming an outdated space for athletics, performances, and celebrations.
