- Are you interested in taking some Hands-On classes next year? If so, this week Friday during one of your open periods you are welcome to stop down to the Vocational Wing located in the Southeast corner of the school. You will have a chance to walk through each of the Voc. Ed. Classes and see what they have to offer. The classes include Engineering, Photo/Video, Woods, Construction, Computer Programming, Manufacturing, and Automotive. Some of the classes will have hands-on activities for you to participate in. If you visit 4 of the areas you can earn yourself a Hot Dog, Chips, and a POP over the lunch run on Friday. We hope to see you there!
- Seniors, your photo for the yearbook is due THIS FRIDAY and we are missing a lot of pictures. Please get them turned in ASAP or see Mr. Monsen in room C39 with any questions!"
- Welcome to the last Wellness Wednesday of January. We know that January can be hard for people because it is cold, dark, and snowy. So, congratulate yourself on making it through January and hopefully meeting your personal wellness goals. So, take a breath and give yourself a little bit of love and compassion today.
- Great news! Millie will be back in the Library for Wellness Wednesdays starting on February 5th. Please stop by and welcome Millie back to Fargo South High! Thank you to all the staff who helped secure her return and all the students who advocated for getting her back.
