2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

PROSPECT HIGH SCHOOL

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

OUHSD will provide a variety of quality educational experiences for students of all learning styles, in a safe and nurturing environment to prepare them to be critical thinkers and consumers in the 21st century in a fiscally responsible manner. Learning communities will provide programs and experiences that promote academic achievement and personal and social growth of every student.

Oroville Union High School District Core Beliefs

We believe:

1. When provided an engaging, inspiring and challenging learning environment, every student will have the opportunity to achieve at their maximum potential.
2. Active engagement of students by caring adults is key to helping students achieve.
3. Every student learns at their own pace and will have access to educational services and supports to enhance their learning experience.
4. Every student will have a goal for college and/or careers, and our district will prepare each for participation in those opportunities.
5. Every member of the learning community deserves to be part of a safe, caring, equitable and nurturing learning environment and should be treated with respect, dignity and worth.

Mission Statement

OUHSD is committed to providing every student with equitable educational and extra-curricular opportunities that prepare them to be college and/or career ready. Every school will have a positive climate that focuses on being safe, responsible and respectful.

Vision Statement

Preparing students for the future today

School Level - Prospect High School

Prospect High School provides a safe and nurturing environment as a "School of Choice." Students will achieve academic success and gain skills to be college, career, and/or work ready.

Prospect High School will inspire students to develop their life goals, build healthy relationships, accept personal responsibility, and learn to think critically in a safe, respectful, and responsible manner as they face life's challenges.

Students will strive to be:

Complex Thinkers who:

Pursue a High School Diploma achieving all necessary academic and graduation requirements

Have developed the work ethic and the critical thinking skills to be college, career, and/or work ready

Show success using and acquiring technology and communication skills in achieving personal and academic goals

Responsible Citizens who:

Pursue healthy interpersonal relationships, healthy personal living skills, healthy lifestyle choices and accept responsibility for their actions

Have and will demonstrate positive and productive citizenship contributing time, energy and talent to improve their community

Show respect for the diversity and dignity of others

Students can earn 5 credits in each class per 12 week trimester (broken in to two 6 week Blocks). Students earn variable

2023-24 School Description and Mission Statement

credit, which means credit earned by how much work is completed and how well it was done. A student earning 12.5+ credits in a block earns incentives and being a part of the Honor Roll.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2022-23 Career Technical Education Programs

CTE offerings at Prospect High School have increased with the addition of a full time Construction Teacher. Classes such as Cooking, Recycled Cycles, Gardening, Careers, Horticulture, Engineering, and the aforementioned Construction Trade are some of the courses offered throughout the year. The CTE teacher and school administration meet throughout the year to discuss best practices and following all guidelines necessary.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Prospect High School utilizes a 6 week academic "block," system whereby students are awarded credits based upon their respective work completion. Students who accumulate 12.5+ credits or more are recognized during a schoolwide assemble that parents and guardians are welcome to attend. Parents/Guardians can participate in their child's education by for attending Open House, Parent Nights, Family Nights, and Open House. If a parent guardian wishes to participate in school/district sponsored activities they may do so through Prospect' High School's School's Site Council, OUHSD's Supportive School Climate Committee or DELAC Committee. Additional opportunities for parental involvement include FAFSA orientation and user training, parent conferences, IEPs, and 504 Meetings. Parental outreach and engagement also occurs via social media, including the school's website, Instagram, Facebook, and Parent Square. The District has hired an outside agency to promote the programs and happenings at Prospect High School and throughout the OUHSD via that aforementioned Facebook and direct email.

The Principal has an open door policy and meets with students and parents/guardians for a myriad of reasons including but not limited to attendance, academic achievement (IEP & 504 meetings), and student discipline in order to promote student achievement.

2023-24 School Safety Plan

The Comprehensive School Safety and Crisis Response Plan are reviewed annually by both the school and the District. Discussion with staff, Site Council, and District personnel has historically occurred. Drills are held annually and information as appropriate and is shared with stakeholders.

The Plan is designed to be utilized as a school resource for prevention/mitigation, preparedness, response and recovery planning and training as well as meeting the requirements of SB 187 and the National Incident management System. The document is updated as necessary and changes are made based on bettering our response and new situations that may arise. Communications with staff have included the use of the Catapult Emergency Management System. Parents and Students are communicated with through social media, the school website, Parent Square which utilizes email, text, and phone messages as necessary.

The Comprehensive School Safety Plan (CSSP) was updated February 2022 and the staff will participate in ICS (Incident Command System) training in January of 2024.

Professional Development

OUHSD provided staff members with four professional development opportunities throughout the course of the school, year. Additional trainings in various content/subject areas including behavioral modification, and strategies for our at-risk population also occur in hourly increments throughout the course of the academic year including but not limited to: Distance Learning, Online Learning, PBIS, Zoom, and Google Classroom. We have a 1:1 ratio of students to Chromebook for cross curricular instruction and every classroom has a set of Chromebooks for students to use. The staff has held various in-house Google trainings leading to the implementation of Google Classroom campus wide. Three staff members are part of a District Tech team designed to support student and staff.

The English teacher has collaborated on numerous occasions with OUHSD ELA teachers to "map" the English curriculum and ensure instruction align with common core standards and student ability levels. The Math teacher has also collaborated numerous times with Butte College, as well as with district and county instructional trainings. Students requiring EL support engage in Districtwide curricula to ensure access to the curricula.

Trainings on implementation of School Wide Culturally Responsive Positive Behavior Interventions and Supports (CR-PBIS), Culturally Responsive Teaching and Learning with Dr. Hollie (CRTL) previously occurred and Prospect High School's Teacher on Special Assignment (TOSA), 2 Targeted Case Managers (Classified Staff), and the Principal all participate in continuous PBIS Training offered through the Placer County Office of Education.

Prospect High School's daily schedule has embedded office hours, intervention, and teacher collaboration time. This allows teachers to share their expertise in their respective subject areas, as well as expand their breadth and depth of knowledge in areas outside of their subject area (interdepartmental collaboration). We have also used this time for presentations from outside vendors such as Imagine Learning representatives that helped to facilitate online learning opportunities. Staff to workshops and conferences, as well as peer collaboration with staff at the other district school sites.

Focus on Social Emotional Learning, Mental Health, Academics, and Good Behavior Choices have been or will be at the forefront of staff Professional Development. Culturally Responsive Positive Behavior Interventions and Supports (CR-PBIS), Restorative Justice, and revised Discipline philosophies are being implemented. Staff members have taken advantages of staff development opportunities as they have become available. These trainings have covered numerous subject area trainings, behavioral modification, and strategies for our at-risk population. We have also had numerous technology trainings to assist our staff with our common core implementation. We have a 1:1 ratio of students to Chromebook for cross curricular instruction. The staff has held various in-house Google trainings leading to the implementation of Google Classroom campus wide. Staff have
