

BUSINESS PARTNER DIRECTORY

2024-2025

BEAUMONT ISD BUSINESS PARTNER DIRECTORY 2024-2025

The mission of the Partnerships in Education (PIE) program is to enhance the quality of education in Beaumont ISD schools and the quality of the workforce for businesses by establishing and maintaining a long-term and creative partnership designed to be dynamic, innovative and highly responsive to the school and business/organization.

Businesses and organizations can sign up to partner with schools by completing the PIE application located on the District's website at www.bmtisd.com/community. After the registration form is received, the Office of Community and Media Relations will review the request and contact the potential partner to discuss the partnership in further detail. Once paired, a meeting will be scheduled to provide an opportunity for the partner and campus principal to develop goals and review the campus improvement plan.

The Beaumont ISD PIE program links businesses and organizations with schools to share resources, both in people and materials. The goal is to pair businesses with schools based on student and curriculum needs. Business representatives and school staff outline goals that align with the campus improvement plan.

Our business partners are valuable to our campuses in so many ways. Business Partners make in-kind donations, offer program support and help our schools many other creative ways. Our partners in education are committed to building a better community through their involvement in our district. We appreciate the constant support of our partners! Thank you!

Businesses listed in this directory have a 2023-24 application on file with the District.

ROAR! LOUDER!

Community Reading Partnership

The Beaumont ISD Community Reading Partnership program was launched as a partnership between the Beaumont community and BISD. The goal of the program is to have all BISD second through fifth grade students reading at or above grade level by the end of the year by pairing them with volunteers who will assist them in improving their reading skills. BISD, in partnership with our community, wishes to instill a love of reading at an early age and provide them with positive attention and learning outcomes.

Help us spread the word!

How to complete a volunteer application

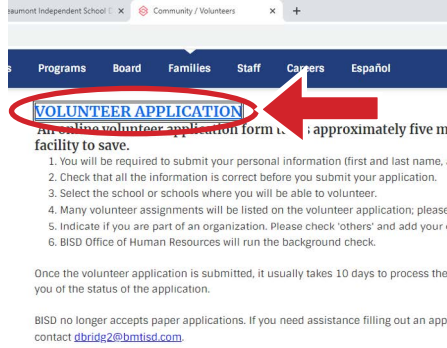

Step 1
Visit www.bmtisd.com and click on Families then Volunteers.

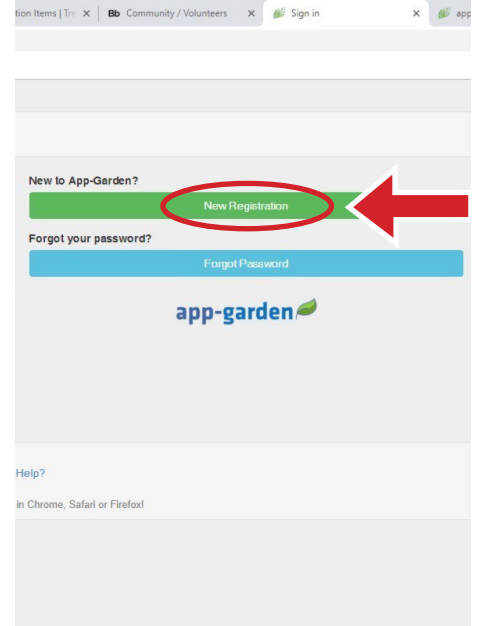

District Announcements

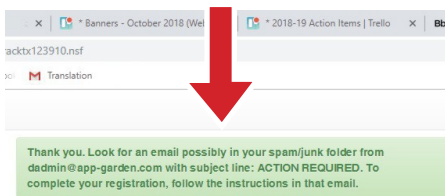

Step 2
Click the Volunteer application link to start your volunteer application.

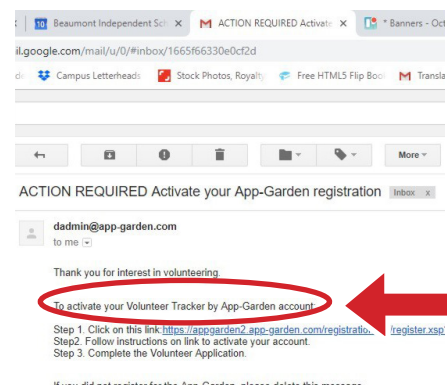

Step 3
Click here to submit a New Registration.

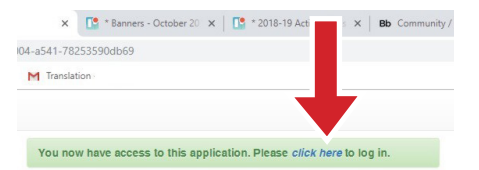

Step 4
Please check the email address provided to confirm your registration.

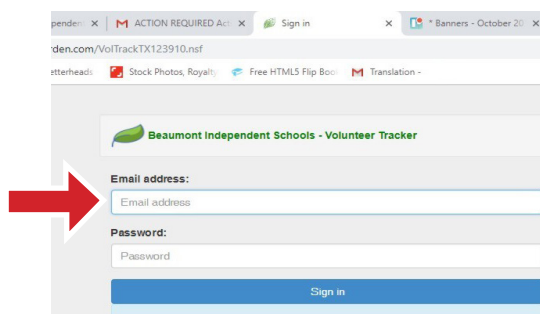

Step 5
You will receive an email to activate your App Garden account.

Step 6
Confirmation to begin volunteer application.

Step 7
Sign in with your credentials and begin the application process.

Once submitted, please allow 10 days to process your volunteer application. You will receive an email confirmation on the status. Thank you!
