

BROOKWOOD COMMUNITY SCHOOL

2025 ONLINE SUMMER SCHOOL SESSION

June 2 - June 20, 2025

DIGITAL Health and PE:

1. Freshman PE (Officially called Lifetime Fitness): This course is **required for graduation.**
2. Freshman Health (Officially called Intro to Health): **Also required for graduation.**
3. **Why take the courses over the summer?** Because it frees up one period, each semester, for your student to take another course they need or desire (example: athletes often take Health/PE in the summer so there will be an available period for them to take a weight training class). We offer the summer class so rising 9th graders can have a bit of flexibility in their schedule. If taken during the school year, there is zero cost. Additionally, some students stress about the PE class during the regular school year, so they prefer a digital setting.
4. **Parents often ask if students can do the course work from any location if they have a computer and Wi-Fi access, and the answer is **YES! Exception: Monday, May 19th OR Tuesday, May 20th —mandatory orientation from 6:00-7:30PM in the Brookwood High School Commons. Be sure to dress for PE.****
5. **Please note that student work must be completed by the end of the dates allotted for the class.**
6. Students need to work daily to complete the two courses: students cannot wait until the last few days and then begin working. This is a day-to-day process.
7. Students must have access to a computer and the internet.

COST:

1. **\$250 Per Course** for GCPS Students, meaning a total of **\$500 for both classes** (Taught simultaneously).
2. **Payment in full is required for registration to be considered complete.**
3. **Payment can be made by check, credit card or on MyPaymentsPlus.** Cash payments not accepted.
4. **IMPORTANT!** Be **very careful** when making payment on MPP that you are choosing the **Brookwood High School** Health & PE courses for your student and **not** GCPS Online Campus Health/PE, or Parkview High Health/PE, etc.
Registration on MPP opens 1/29/2025.
5. *Once class starts, no refunds are allowed.*

CLASS DATES:

1. **June 2 – June 20** (15-day GCPS Summer Health/PE Curriculum)
2. All classes are digital learning format, except for one face-to-face training for all students on Monday, May 19th, OR Tuesday, May 20th --mandatory orientation from 6:00-7:30PM at Brookwood High School. Dress in PE clothes.

WHO CAN REGISTER?

1. Current Crews and Five Forks 8th graders.
2. **NOTE:** Only students who **successfully complete the 8th Grade** in May will be eligible to take these courses.

HOW TO REGISTER?

1. Register on MyPaymentsPlus under Community School Activities.

WHEN WILL YOU REGISTER?

1. Registration begins on **Wednesday, January 29, 2025.**
2. Registration closes on **Friday, May 23rd, 2025, or once the classes are full.**

NOTE: IMPORTANT! If you pay on MyPaymentsPlus, BE SURE YOU ARE CHOOSING THE CORRECT CLASS! Choose “Brookwood High School Summer PE and Health for Rising 9th Graders”. You can’t select the first Health/PE class you see because that could be the Health & PE class at Gwinnett Online Campus or Parkview, for example. You must choose the BROOKWOOD Health and PE class. If you have any trouble finding our class on MPP, please leave Mr. Cashman or Ms. Holman a message at 770-978-5064 and we will call you back.

Questions? If you have questions about the classes, please contact me via email @: david.cashman@gcpsk12.org
