Dr. Robyn A. Klim
Superintendent

January 27, 2025

Dear Lawrence families,

At Lawrence Township Public Schools, our commitment is to provide a safe, inclusive, and supportive environment where everyone feels valued and protected. In challenging times, this commitment is more important than ever. Recent discussions about potential federal policies targeting immigrant families have raised significant concerns nationwide. On behalf of the Lawrence Township Board of Education, we want to reaffirm our unwavering stance: Lawrence Township Public Schools will always be a haven for every student, regardless of their background or immigration status.

Lawrence's strength lies in the diversity and contributions of every community member. By law, every child has the right to a public education, and we uphold this essential principle. Immigration status does not determine a student's access to education in our district. If the national dialogue around immigration enforcement brings uncertainty or fear, we are here to help. Our school principals, counselors, teachers, and district central office are ready to provide support.

To ensure we continue to Lead, Achieve, and Succeed, I have established a proactive committee in collaboration with our Director of Student Achievement, Equity and Opportunity to address the potential impacts of federal immigration policies. This committee is dedicated to protecting the stability and well-being of our students while developing a comprehensive plan to address these challenges with care and compassion. We assess our community's concerns and work to implement protocols that provide students and families with social, emotional, academic, and logistical support. Additionally, we coordinate with Township Officials, the New Jersey Department of Education, and educational and legal experts to offer resources, training and guidance.

We encourage you to contact your child's principal or guidance counselor if you need assistance. We also invite our community partners, local organizations, and all who share our values to stand with us in supporting the dignity and rights of every family. Together, we will ensure Lawrence Township Public Schools remains a district that leads with equity, compassion, and inclusion.

Thank you for your trust and partnership in ensuring that every student and family knows: Lawrence Township Public Schools is where you belong.

Respectfully,

Robyn A. Klim, Ed.D., LCSW
