

Seamlessly transition into Wingate University's Doctor of Physical Therapy program without the stress of competing against other qualified DPT applicants, and earn your doctorate one year earlier than non PT Advantage Program students.

➔ For incoming Wingate Freshmen who meet the following criteria:

EARLY ASSURANCE

- Majoring in Exercise Science.
- An overall unweighted GPA of at least 3.4 or weighted GPA of at least 3.6.
- High school science and math grades of 90 or higher.
- SAT score of 1150 (can be waived if both weighted/unweighted GPA meet criteria) or ACT equivalent.

To continue progression in the PT Advantage Program students will complete the following after the Spring semester of their Sophomore year:

- Interview with DPT faculty.
- Complete a required essay.
- Provide proof of at least 20 experiential hours under the supervision of a physical therapist.

➔ For rising Wingate Juniors who meet the following criteria:

EARLY ACCEPTANCE

- An overall GPA of 3.5.
- No science and math grades below B.
- No grade of D or F in any course.
- Interview with DPT faculty.
- Complete a required essay.
- Provide proof of at least 20 experiential hours under the supervision of a physical therapist.
- Favorable recommendation from Wingate's Exercise Science faculty.
