Dear Wesley Families,

I am excited to share some important news about our school's future. In the summer of 2025, we will be embarking on an exciting journey as we prepare to move temporarily to a new location. This transition marks a significant milestone in our ongoing commitment to providing the best educational environment for our students and families.

Starting in June, Wesley will undergo an \$8 million renovation. Our current building will receive extensive upgrades, including enhancements to our plumbing, HVAC systems, lighting, and flooring. These improvements are designed to create a more comfortable, efficient, and inspiring space for our students and staff. This renovation is more than just a facelift; it is a comprehensive investment in our school's future, ensuring that Wesley remains a beacon of excellence for the next 20 years and beyond.

During the renovation period, we will temporarily relocate to the Coan School campus on Hosea Williams Drive for the 2025-26 school year. This move is a short distance from our current location and will allow us to continue delivering high-quality education without interruption. We are committed to making this transition as smooth as possible and will provide you with all the necessary guidance and support to ensure a seamless experience for your family.

As we prepare for this move, we want to emphasize the incredible opportunities this renovation will bring. We are essentially re-landscaping the interior of Wesley, creating an environment that fosters growth, creativity, and success for all our students.

Wesley International Academy is proud to celebrate its 20th anniversary in just two years. This renovation and move are part of our vision to set our boys and girls up for the next 20 years of success. We are deeply committed to continuing our legacy as a strong pillar in the community, providing a nurturing and empowering space for generations of learners to come.

As a parent myself, I understand that transitions can be challenging, but we believe that this move will ultimately benefit our entire school community. We are excited about the future and look forward to partnering with you throughout this process. Together, we will ensure that Wesley International Academy continues to thrive and inspire.

Thank you for your support and trust as we embark on this exciting journey. We will keep you updated with more details and timelines as we move forward and have a webpage dedicated to updates at wesleyacademy.org/move. If you have any questions or concerns, please do not hesitate to reach out to move@wesleyacademy.org.
