To Whom It May Concern,

Re: International Exchange Agency Deadlines  
School Board of Flagler County

This is a reminder that the deadline to receive student applications is June 1, 2025, for the 2025-2026 school year. Please be advised that the Flagler County School District will not consider applications submitted after May 1, 2025.

In addition, your agency's annual compliance form should be submitted to my office no later than March 1, 2025. We will only accept student applications from agencies that have submitted their annual compliance form.

We are now accepting student applications for the 2024-2025 school year.

Thank you in advance for your cooperation and assistance in honoring the deadlines established by Flagler County Schools.

Sincerely,

Mr. Jeff Reaves  
Director of Teaching and Learning  
1769 E Moody Blvd Building 2  
Bunnell, FL 32110
