# Kindergarten Registration

» Help your school, register ASAP!

Kindergarten registration for Fall 2025 opens February 3, 2025 at:  
**[www.fargo.k12.nd.us/registration](http://www.fargo.k12.nd.us/registration)**

*Child must be age 5 by July 31, 2025 to attend school in the fall.*

*Registration is a two-step process:*

## STEP 1: Register Online

Complete online registration forms at **[www.fargo.k12.nd.us/registration](http://www.fargo.k12.nd.us/registration)**.

## STEP 2: Submit Documentation

Upload or bring the following documents to your child's school to finalize registration:

- ☐ Child's certified birth certificate
- ☐ Child's immunization record, with 5-year shots
- ☐ Two documents that include parent/guardian name and current address (e.g. utility bill and paystub)

For assistance, please contact your child's school to schedule an appointment to complete in-person.

If you do not know which school your child will attend, call **701-446-1043** or check online at **[www.fargo.k12.nd.us/boundarymaps](http://www.fargo.k12.nd.us/boundarymaps)**

If you need PowerSchool help, please call **701-446-1006**

## Try this game to get your kids excited about Math

Math War is a simple card game that can be played by children of all ages! Keep it simple by comparing numeric values, or make it more challenging by using addition or multiplication. Here are the directions for how to play:

### HERE ARE THE DIRECTIONS FOR HOW TO PLAY:

- Shuffle the cards.
- Deal the entire deck. Place cards face down and give each player an equal number of cards.
- Jacks, Queens, and Kings have a value of 10. You can choose whether you want Aces to have a value of 11 or 1.
- Set a timer for 10 minutes.
- Both players turn two cards face up, then read the number sentence aloud and answer it.
- For instance, player one draws 3 and 6, she then says  $3 \times 6 = 18$ .
- Player two draws 2 and 4, she then says  $2 \times 4 = 8$ .
- The player with the larger product wins and takes the four cards and places them at the bottom of her stack.
- If both players have an equation with the same answer, then it is war.
- During a "war," each player takes four cards from her stack and places them face down. They then turn over two of their cards. Whichever player has the largest product, wins all eight cards.
- The winner is the player with the most cards at the end. Or if a player runs out of cards during the game, the other player is the winner.

# Red River Traditional TaeKwonDo

The Area's Only Traditional Taekwondo School

## REVIEWS FROM PARENTS

My son has been attending RRTKD for over 3 years and it has allowed him to grow in self confidence personal discipline. Master Jim is an fantastic teacher who always has a great positive attitude and keeps the students engaged.

Grant

This has been one of the best investments I have ever made in my kids lives.

Joseph

We love RRTKD and have enjoyed watching our kids mature in their personal discipline, strength and poise, as well as in their TKD rankings. Master Jim is an incredible teacher and mentor to his students, and I recommend RRTKD to all families who are looking to engage in an activity that is enriching for the body, mind and soul.

Jenny

Master Jim is excellent with kids and adults alike. The gym has bathrooms and changing rooms. There are chairs for parents to watch practice. Classes are inclusive and well-staffed. The discipline is friendly, and the program is somewhat self-paced. It's a wonderful gym for beginners or experienced athletes.

Samantha

We have had amazing experiences at Red River Traditional TaeKwonDo. Master Jim is phenomenal working with the students. He clearly cares about them and has high expectations.

My kids developed their physical strength and their confidence.

Marilea
