Course Requests for 2025-2026 School Year

8. Students planning to pursue the **Core 40 with Academic Honors Diploma** should include the **next year of your World Language**. Students completing the **Core 40 Diploma** do not have to meet Foreign Language Requirements. However, students interested in attending a college or university (immediately after high school) are highly encouraged to finish at least 2 years of a foreign language since many colleges/universities have their own foreign language admission requirements.

Example: Spanish II A and Spanish II B
OR
French II A and French II B

9. Select **World History A and B** if you have not yet earned credit. (**AP World History Modern A and B** is available for those students who are interested in a rigorous World History course.)
10. You must have a total of 14 classes requested. Be sure to choose **ELECTIVES** that complete your course requests.
You may select Study Hall 2025-26 as 1 of your 14 choices.
If you need to retake a course that is a graduation requirement due to a failing grade, you will need to email your counselor so that the course can be added to your requests.
- ❖ Summer School availability for 2025 has not yet been determined. Therefore, please request all courses necessary for remaining on track for graduation.

*Please Click **SAVE** once you complete your requests

*Keep in mind that these are course requests at this time. The student's final schedule will be available during the summer of 2025.

If you have any questions, please email your Guidance Counselor.
