Dear ELCO School District Families,

I am honored and thrilled to introduce myself as the new Director of Special Education for the Eastern Lebanon County School District. Joining the ELCO community and supporting our dedicated staff, engaged families, and, most importantly, our inspiring students, is a privilege I embrace with great excitement.

Throughout my career in education, I have been committed to fostering inclusive environments that promote academic success and well-being for every student. I believe strongly in the power of collaboration and open communication, and I look forward to building relationships with our families, staff, and community members. Working together, we can ensure that each student receives the resources and support they need to thrive.

I am especially eager to hear from you and learn about your experiences and ideas to enhance our special education services.

Thank you for the warm welcome I have already received from many of you. I look forward to a successful and inspiring journey together as we create opportunities for every ELCO student to reach their full potential.

Warm regards,

Kim Mecca
