ENTERING 2025 STRONG

Starting off the new year strong, Link Crew is getting back into the groove by preparing for new upcoming events like Palentine's Day!

Our goal this semester is to ensure that the freshmen class has a memorable semester filled with events, prizes, and more!

LINK CREW RECRUITING

This month, Link Crew will be hosting informational meetings on the next steps to becoming a Link Leader for interested 10th and 11th graders! With over 100 members, Link Crew hopes to only expand their numbers and grow the Link Crew spirit on campus.

Along with all of our Link Crew event posters, Art Committee is designing Link Crew recruitment posters to welcome incoming Link Leaders into the Link Crew community!

WAKE-UP WEDNESDAYS

For the first year EVER, Link Crew has begun a new tradition of "Wake-Up Wednesdays" providing coffee services to all faculty and staff at Burroughs. With a variety of options, Link Crew's 2nd period class is dedicated to serving staff and faculty Wednesday mornings.
