Valley Collaborative’s Articles of Agreement

ARTICLE II

Mission, Objectives, Focus, and Purpose

The mission of the Collaborative is to conduct educational programs and/or services for member districts in a cost-effective manner and to increase educational opportunities and to improve educational outcomes for its students. The purpose of the Collaborative is to provide high quality intensive educational, therapeutic and transitional programs and related services to individuals with disabilities referred by member districts, non-member districts and social service agencies, including both children and adults, and to provide professional development to educators. The focus of the Collaborative is the provision of special education, transitional, occupational, and therapeutic programs and services in the least restrictive environment and comprehensive professional development within the local communities of the member districts. The overall objectives of the Collaborative include improving the academic achievement and/or occupational skills of students and individuals with disabilities in the least restrictive environment through high quality programs and services; offering a variety of high quality professional development opportunities to general and special education teachers and related service providers; and offering its programs and services in a cost-effective manner.

Mission

To work collaboratively in order to create a diverse, equitable, inclusive, and responsive learning environment that recognizes individuals and empowers them to navigate confidently with optimal independence in their community and fosters lifelong learning.

Vision

Valley Collaborative partners with families, districts, and the community to provide innovative programming that empowers all students and adults to discover their diverse individual strengths, interests, and abilities. In doing so, those we serve become self-actualized members of society who contribute in a responsible manner.

Theory of Action

If we...

- Identify students’ immediate and long-term individualized goals, strengths, and needs and provide support to meet them, and...
- Build the capacity of, and invest in, our staff, and...
- Invest in community building across the Collaborative, with all stakeholder groups,

Then we will...

- Increase student independence and prepare students for successful post-secondary placement and adult living
- Increase staff professional capacity and the retention of high quality and appropriately certified staff
- Improve the engagement of all stakeholders in the Collaborative community
