### SACRED HEART SAN FRANCISCO

Schools of the Sacred Heart was founded in 1887, and Stuart Hall High School opened its doors in 2000. Stuart Hall is an independent Catholic school that provides excellence in education and prepares graduates to be active, informed, and compassionate members of a global society. Engaging student in a culture of deep learning and thinking, the academic curriculum is designed to strengthen essential skills of communication, collaboration, critical analysis, and cultural competency. Students cultivate a deep respect for intellectual values, learning how to communicate what they know and what they believe. In partnership with Convent, Stuart Hall offers academic and co-curricular programming in both single-sex and coed settings, tailored to develop the academic potential of each student. Our young men and women explore their interests and grow alongside each other as social and intellectual peers.

### MISSION & FIVE GOALS

Stuart Hall engages a relevant foundational mission and embraces our five unifying Goals and Criteria, while looking ahead to ask what skills will be needed in the future.

#### OUR MISSION

Convent & Stuart Hall educates mind, Heart and body, animating a zeal for discovery, inspiring a passion for justice and nurturing the strength to transform.

#### SACRED HEART GOALS

---

A personal and active faith in God

---

A deep respect for intellectual values

---

A social awareness that impels to action

---

The building of community as a Christian value

---

Personal growth in an atmosphere of wise freedom

---

### OUR COMMITMENT TO SOCIAL AWARENESS AND ACTION

Awareness of local and global needs is an integral component of a Sacred Heart education. Students collaborate on service projects and community involvement. Theology courses in ethics and social justice theory illuminate issues of injustice and impel students to action. Interdisciplinary course readings and seminar discussions inspire a reflective, ethical and global perspective as Convent students develop their voices in service of their world. A part of our graduation requirement is for all students to be engaged within their local community, donating 100 hours of their time to service.

### OUR GLOBAL IDENTITY

Since its beginning, Sacred Heart education has held a deep respect for the capacity of young people, believing that a rigorous education, which challenges the intellect and nourishes the spirit, would prepare students to be wise and effective leaders in service of their world and its future. There are now 150 Sacred Heart schools and communities in 42 countries.

## OUR CURRICULAR PROGRAM

The high school curriculum at Stuart Hall engages and challenges the whole person — in mind, Heart and body. The freshman and sophomore years provide foundational avenues of inquiry and discovery, engaging students in essential strategies of critical reasoning and advancing written and presentational communication skills across all subjects. The ninth and tenth grade preparation sets the foundation for programming in the junior and senior years, which includes the options of the International Baccalaureate Diploma Programme and Advanced Placement offerings, along with a suite of higher level teacher-curated courses at regular and honors levels. Stuart Hall follows a block schedule that rotates eight academic periods. All students enroll in six academic classes; a seventh elective class may be added in a particular field of interest.

ACCEPTANCE TO A 4-YEAR  
COLLEGE OR UNIVERSITY

## FACULTY EXPERTISE

Stuart Hall's faculty are experts in their field of study and creative practitioners in the classroom. Every employee is charged to excel professionally and uphold the Goals and Criteria of the Sacred Heart. Among the Convent & Stuart Hall faculty, 88% hold an advanced degree and our teachers are educational thought leaders and graduates of universities from across the globe.

ASSISTANCE

## GRADING POLICY

Stuart Hall recognizes that student discovery, understanding, and achievement take root over time. As such, yearlong courses receive a single year-end grade. We use an A-F grading scale without the use of pluses and minuses where each grade represents the students mastery of the subject material completed. The school calculates both a weighted and unweighted GPA with IB, AP and honors courses receiving an extra point. The unweighted GPA is the official grade of record. Given the rigorous curriculum taken by all students, the school does not rank.

IDENTIFY AS STUDENTS  
OF COLOR

## Global Education

Convent & Stuart Hall emphasize experiential learning as an essential component of the curriculum. Students are invited to participate in international and U.S. exchange programs ranging from two to six weeks. Through global exchange opportunities, students step out of their comfort zone and discover what it means to be a high school student in other parts of the world. We offer many international opportunities including an annual Sophomore class trip to Costa Rica, Art + Global Politics program in Copenhagen/Berlin, Latin & Ancient History program in Rome and Cor Unum and Culture trip to Japan among many other global destinations.

## CLASS OF 2025 PROFILE

As a Sacred Heart school, we are committed to nurturing a robustly diverse community where each member is invited to live fully into her gifts: intellectually, spiritually, physically and personally.

Average unweighted GPA is 3.55

Average weighted GPA is 3.96

Senior class enrollment is 54

Average class size is 17

IDENTIFY AS CATHOLIC
